

FLE HOA NEWSBRIEF

Forest Lake Estates Zephyrhills, Florida

SEPT 2024

A message from Jim Dill

President, FLE HOA

president.flehoa@gmail.com

Where has the summer gone? We have only 3 weeks remaining before fall is here. Surely hope the weather starts to cool down a little bit and the rain slows down. This has been an extremely hot summer with heat indexes in the low 100's. Our Social and Activities Directors have kept the full-time residents busy this summer and have lots of new events for the fall when all our family and friends come home for the fall and winter. We are planning a new 9/11 ceremony in Memorial Park on September 11, 2024, starting promptly at 10AM. Every year as part of the official commemoration ceremony held at the World Trade Center for victims' families, we observe six moments of silence marking the key events of 9/11.

- **8:46 a.m.:** Hijackers deliberately crashed American Airlines Flight 11 into floors 93 through 99 of the North Tower.
- **9:03 a.m.:** Hijackers deliberately crashed United Airlines Flight 175 into floors 77 through 85 of the South Tower.
- **9:37 a.m.:** Hijackers deliberately crashed American Airlines Flight 77 into the Pentagon, near Washington, D.C.
- **9:59 a.m.:** The South Tower collapsed.
- **10:03 a.m.:** After learning of the other attacks, passengers on United Airlines Flight 93 launched a counterattack on hijackers aboard their plane to try to seize control of the aircraft. In response, the hijackers crashed the plane into an empty field near Shanksville, PA.

- **10:28 a.m.:** The North Tower collapsed, leaving the 16-acre World Trade Center site in ruins and collateral damage affecting all adjacent properties and streets. The rescue effort commenced immediately.

The biggest issue we've had this summer is a normal issue...trying to mow our yards with all the rain we've had this summer. Just from Hurricane Debby we received 10+ inches of rain. The mowers do their best, but it gets to be very difficult when the grass is long, and the ground is saturated. This happens every summer and residents complain when the grass doesn't get cut and then complain about the ruts when they do mow. Please be patient with them and this will get better as we start to transition to the fall.

We will conduct our first General Membership Meeting at the Clubhouse on October 10, 2024, at 10AM. We also will have a large Labor Day Event with Good Stuff playing for us. Stay tuned for more information as we get closer to these events. Thanks, and hope the remainder of your summer is fun and relaxing!

September News Happenings

Denis Denomme, HOA Social Director

September Social activities start out with a bang with our Labor Day Celebration. We will be using the same formula as we did for the 4th of July. Burgers and Dogs provided by Thrifty Dog, served through our kitchen counter. Potluck like last time and Good Stuff providing the musical entertainment for the afternoon.

We have partnered with AARP to provide a Seniors Driver Training course to all FLE senior residents. Successfully completing this course can provide benefits of a reduction in insurance premium, improved and safer driving habits to name a couple. The cost is \$20.00 if you are an AARP member and

September Happenings cont.

\$25.00 for AARP non-members. Class sizes are limited so please sign up as early as you can to ensure a seat. Please see the promotional piece available on the bulletin boards (we have the option to make the driver training course a quarterly event, depending on the level of interest).

To improve communication further we are investigating the purchase of a scrolling message board to be placed in the Clubhouse and later another near the Post Office and even later the FLE Office.

September will be the final month of biweekly Sandwich nights. In October you can expect a return to a weekly Sandwich Night. Please support this event.

This year Bob Burke is planning a 911 Memorial ceremony.

Humana is planning an educational presentation of "The Aging Brain".

Melody Merola is working on a presentation on hummingbirds.

Lorri Jackson is planning another "Minute to Win It" Night.

Janice Collins will have another Newcomers meeting.

These and more to come. Watch the weekly bulletins for details.

Your HOA has reached out to the HOA at Crystal Springs here in Zephyrhills (another ELS Community). Both communities have different events that residents can attend during the off-peak season. More discussion to follow, for now you may see more guests attending some of our events like the Monthly Vendor Market! Speaking of the Vendor Market, please make it a point to attend, this Market contributes to the Community not only as a service but provides some financial resources to help defray costs back to your HOA.

September looks to be filled with quality music, food, laughs and more funny memories to enjoy. Get active and join the fun!

September Activities

Lorri Jackson, HOA Activities Director

Good morning, everyone. August is flying right by, and fall is on its way. Activities are going strong; we've added a couple of new activities to our calendars.

First is Minute To Win It Game Night. We have teams of two compete against each other. They play several fun short one-minute games and earn points. At the end of the competition the team with the most points win. We had 6 teams compete the first time. The top team was June and Dave Hineman. The second-place team was Chris and Chris Strong. This will be an every other month event (September 20th or 21st).

The second new activity we just had was The Not So Newlywed Game. We had six teams take part in this fun-filled evening. We did two full games with two teams winning. The first team that won was Judy and Stan Banack. The second team that won was Doug and Denise Robey. This event will continue to be free. The Cabaret Café will be open 45 minutes before the game starts and will open at break time for 10 minutes.

Activity leads, in November mark your calendars; November 4th at 6:00 pm will be an activities meeting. This is the time to air your concerns, bring your questions, etc. to me and the board. We will start having quarterly meetings starting January 2025.

Chris and Chris Strong have agreed to take over the golf cart parades, and the golf cart poker runs. This is going to be an awesome year. This couple is a lot of fun and they have some great ideas. I'm sure they will be looking for help so if you would like to help reach out to them.

September Activities cont.

I'm also looking for help in the Cabaret Café. Anyone who would like to help please contact me (315)-705-5244.

The December Craft Fair. This is going to be an awesome event for our community. We have teamed up with Community Markets and Events and will have for the first time, indoor vendors (FLE residents have first dibs on the indoor spots) and the normal vendors that are here will be outside. There will be a link to register for the craft fair. This link is for FLE residents only!!!! Please DO NOT share the link with outside people! Cost of a spot is \$25.00 for FLE residents and \$50 for outsiders. Any questions please reach out to me.

Thank you!
