

A message from Jim Dill

President, FLE HOA
president.flehoa@gmail.com

What a month this has been. I want to first welcome back many of our family and friends who are starting to come home from their summers up north. We have jam packed calendars with tons of activities and social events on tap. Be alert for our Robocalls, Sunday Bulletin emails, and our monthly calendars in the Happenings newsletter.

On October 9th, Hurricane Milton made landfall about 90 miles away in Siesta Key and we were on the north side which had all the high winds and heavy rain. We got over 20 inches of rain, and I think the winds exceeded 100 MPH. Many residents left the park, but many of us stayed. The rains started Tuesday night, and everything had ended by Thursday morning. It sounded like a freight train was coming through our homes all night long. You could also hear the metal ripping off roofs and landing all over the park. When we all went outside on Thursday morning, there was a lot of heavy damage. I would guess we had about 20% of our homes damaged with minor to major damage. Spring Lake Dr. and Bream Circle both had extensive flooding. We also had several streets in the park closed because of downed trees.

Several residents went to work immediately before ELS even came back to the park. There are too many to recognize, but two that come

Updates from our Social Director Denis Denomme:

After a tough October, thanks to Helene and Milton, things are returning to normal here at Forest Lake Estates, the Sun is out, cleanup is well underway way with the Park looking terrific after only a couple of weeks!

Social Events and Activities are not going to miss a beat! We start the month with the Fall Festival. Scheduled Presentations include Christian Alfonso's Medicare Plans Explained, the Neptune Society is including a free Luncheon with their presentation. Sandwich Nights return on a weekly basis, Bone Cartel, 5th Gear, Miller & Mark, West Wind and Skip Frye all have dates in November providing musical entertainment, Bingo returns on November 12th. Food trucks will come every other Wednesday afternoon. We have the Nov. 11 Memorial and Celebration. Plans are underway for the 11/11 Veterans Memorial followed by a pasta and meatball luncheon with music provided by West Wind will help make our Veteran's celebration special. Minute to Win it Game Night returns, Ice Cream Social, Movie Drive In and the Park Wide Yard Sale are all on the Calendar! Something new; a Dance Party with Miller and Mark on Thanksgiving eve, Skip Frye returns, so does a much-promised Fish Dinner! I promise you won't be without things to do. Please listen for updates and reminders with Robo Calls, the Scrolling Sign in the Clubhouse, The Social Calendar or the Weekly News Bulletin. A Word on Tickets: with the influx of more winter residents, if you intend to buy tickets, please make it a point to be at the clubhouse early. HOA members get first crack at all tickets on Mondays, Full dinner and most events tickets will be discounted by \$5.00 for all HOA Members.

The Holiday Market and Craft Fair will be on December 7. To reserve a table see the link in the Sunday Bulletin email.

Notes from our Activities Director Lorri Jackson:

Hi everyone. We've had a busy summer with our activities. We've added new games and new nights of fun and can't wait for you all to join in on the fun when you return. Two new activities are "Minute It To Win It Game Night" and "The Not So Newlywed Game" are both free nights of fun. So, whether you want to participate or cheer your neighbor on we'd love to have you join us!

I was asked if we could possibly start a class on stained glass. I have reached out to one of my vendor friends who would love to come into our community to teach us how to do stained glass. This will start after the 1st of the year.

Also a mass email went out stating we are pushing start of our regular Bingo season back a week. The hurricane has delayed training the new callers and getting our equipment ready for the year. We look forward to seeing you all on November 12th for our first night of bingo. Only Forest Lake Estates Residents and RV Park Residents are allowed to play bingo.

We are still looking for volunteers to help with our events. Reach out to Denis or myself to get on the volunteer list.

PARTY HARDY PUTT-PUTT 2025...is right around the corner. Putt-Putt has been the park's largest outdoor activity for many years. It is a great way to have some fun and meet new people! League play is Wednesday afternoons between 2:30 and 4:00 pm. Teams consisting of two individuals play the alternate shot format each week. Play will begin on Wednesday, January 1, 2025. The deadline to join is December 27, 2024. Submit your team application and application fee (\$15 per player; \$30 per team). The application form is included in this month's newsletter. More details will follow in the December newsletter.

For more information, please email fleputtputt@gmail.com

Jim's column continued:

to mind are Steve Bushey and Chris Hutchens. They got out there with Steve's chainsaw and started cutting the trees so that residents could get out of the park. If you see them around, please give them a hearty thank you!

We had lots of damage but none of our homes were completely blown away, showing that our tie downs do indeed work. We will be getting info out shortly on the Florida grant to have new tie downs installed. There is about a 2 year backlog but we need to get into the queue. Vickie and her team have done a great job getting cleanup efforts underway and are working as quickly as possible to return our community to pre-storm conditions. The downed trees and several others, about 17, will be removed by a tree contractor. If you are concerned with a tree or limbs that look like they may come down, please contact the office directly and let the HOA board know so we can follow-up with them. The park is getting back to looking good. They still have limbs, trees and metal to pick up. The main entrance gate repairs are going to contract soon; the outdoor fitness canopy has been approved but office is waiting for the contractor to get approved; they have one bid for the sunshades over the patio and waiting on a second bid; they are replacing the door on the putt putt shed; and the pools were cleaned, and the heaters have been repaired. I know it is taking a while but remember that our entire area was damaged or flooded and it's taking some time to get contractors in the park. Much of the region had considerably more damage and flooding than we had. Please tell Vickie and her maintenance team thanks for all they are doing.

We have several events in November that I hope you all can come out to support. An important one for our vets is on November 11, our annual Veterans Day Ceremony to say thanks to all our Vets for their service to our great country. We will follow this with a spaghetti dinner free for all our Vets and a minimal charge for family and

friends. Finally, we have our monthly HOA General Membership Meeting on November 14th with free coffee and donuts.

We had a very busy summer and I want to thank Denis Denomme, Lorri Jackson and the many volunteers who make these events so successful! Hope you all have a wonderful Thanksgiving because we have lots to be thankful for as God has looked over all of us.

HOA Election News from Nancy Matthews:

There will be three 3-year director positions to be filled this year. Anyone interested in adding their name to the slate contact Nancy Matthews at 813-469-1303 before the December 12th meeting. FLE QUILTING/SEWING GROUP

The FLE Quilting/Sewing Group meets weekly at the Clubhouse every Wednesday from 11-3. No prior quilting/sewing experience is necessary, but you need your own sewing machine and know how to operate it. You can work on your own projects or participate in any group projects.

We are planning a few projects and techniques this winter. Two smaller projects are a holiday trivet and a pincushion. A larger project is a "mystery" quilt using just two fabrics.

We have done tutorials and group projects including paper piecing, a "one block wonder" quilt, Santa collage, Christmas Tree applique, pieced Valentine heart, row quilt, tote bags, and sewing machine maintenance. We have donated charity quilts and made pillowcases for the Tampa Bay chapter of Cases for Smiles.

We are not a Guild, there are no membership dues or fees, and we have no funding from any source. Please join us for a few fun hours of quilting/sewing every week. If you have any questions, please contact Pat Zimmerman at 802 793 9568 or pattyzim26@gmail.com
