Forest Lake Estates, Zephyrhills, Florida April 2018

### *670+ Residents enjoyed the 2018 FLE Patio Party*

THANK YOU ALL!!!!

Leah and I would like to say how grateful and thankful we are that you all shared your patio party with us. Thank you so much to every person who helped to make that event so special and memorable for us as such an exciting step in our lives together. The cake, the gifts and the support are all so appreciated. We are so blessed and fortunate to have such an amazing and extended FLE family like you all.

## Message from the Desk of Jim Dill

Forest Lake Estates Homeowners' Association (FLEHOA) President

I really thought we were beginning to wind down, but March has been really busy. This is the last month before most of our activities come to a close. We will have our last Fish Fry and Sandwich Night in April. Bingo will continue through the last week of April. We will have one last large Newsletter in May and then we begin our summer activities. If anyone wants to be involved in supporting summer activities, please contact Mike and Kera Reid, Carolyn Keithley, or any other Board Member.

Here is a quick summary of key items and events from March:

- ◆ In a one week period we had three bicycles stolen from the park. You may want to either lock them up or put them in your shed overnight. If you do have something stolen, please contact Pasco County Sheriff and they will send someone out. I did discuss this with Steve and talked about how insecure the code we have for the front gate is. Over the summer he will contact his security contractor and we will work together on other options. I will keep you all advised of any actions.
- ◆ There have been lots of concerns about the temperature of the large pool. We did have a motor burn out about 3 weeks ago and it has been replaced. The large pool contains 150,000 gallons of water and it loses its temperature pretty quickly when we have these very cold nights. And then it takes a few days for the temperature to come back to normal. Please be patient and as soon as we start getting the warmer temperatures all day then the issue should go away. Steve and his team are constantly on this issue.
- ◆ On March 15<sup>th</sup> ELS did some videotaping of many of our activities. They will use this video for marketing and mobile home/RV shows. The event started at 8 AM and finished around 4 PM. Feedback from Steve and his marketing person from Tampa was that the HOA did an outstanding job supporting this event and staging all the activities. They also said this was the best support they have received from an HOA. Thanks to all who volunteered their time to come out and support. WE had about 100 volunteers attend. Once we get a copy of the video in a couple months, we will put it on our web site.
- ◆ Our 2018 Patio Party was a **HUGE** success. We gave out about 770 tickets in advance and we counted 670+ tickets of residents getting meals. Again, this would not have been so successful without the support of many volunteers.

## Forest Lake Estates Annual Health Fair

**Mark your calendar for next year—February 26, 2019**

*continued from previous page*

The patio, clubhouse, and driveway coming up to the patio were all filled with tables and chairs with not a free one available. Del also played some great music and many residents were up there dancing. We have already booked Del for next year and have scheduled the 2019 Patio Party for March 24<sup>th</sup>. Mark your calendars now!!

- ◆ Rob Faulkner has resigned from the Board effective March 22<sup>nd</sup>. Jerry Wilson has agreed to come back to the board until Jan 2019. Welcome Jerry back.
- ◆ We need as many HOA Members as possible to attend the April General Membership Meeting as we will be voting on the amended Bylaws. The Bylaws have been sent out by email to all HOA members and posted on our bulletin board at the Club House.

This has really been an awesome year and the time has gone so fast. Again, thanks to the many volunteers who either ran different activities or supported them. Without your time and effort, we would not have had such a wonderful year. Please be safe traveling back to your summer homes and see you in the fall.

Thanks  
Jim Dill

## Lending for Little Ones

**They are the best of us!** They are our grandchildren and great-grandchildren. We are so blessed when these **wonderful** little ones come visit us.

**Lending for Little Ones.** We are still here. People lending items to each other when little ones arrive. We currently have people signed up with a variety of items available to lend to people who have little ones visiting. We have such things as pack & play porta beds, strollers, high chairs, car seats, water flotation items for babies, water wings, bicycles and more.

With this program, park residents lend their own items to each other when little ones arrive for a visit. Even though we have a variety of items, we still need more volunteers willing to lend items to others. especially during the busy prime visiting time. If you are willing to lend items for our little ones or, if you have a little one arriving and need to borrow something, contact me and we'll add you to our list and/or try to accommodate your needs.

We will have the information about what is available posted on the bulletin board at the clubhouse.

I can be reached at 248-459-7187 or bitel1976@gmail.com.

Thank You,  
Cyndi Bitel

My committee that works so hard to make it such a success, could not do it without them. We spent much time planning and preparing for the show. Our committee is Russ Kubara, John and Gail Natale and Dale Jodion helping out with sound.

The huge crowd of people to watch makes it all worthwhile. Thanks for showing up to enjoy.

## MEET the McLean's of 6313 Spring Lake Circle...

*by Judy Thiese, contributing Columnist*

Al and Marjorie Mc Lean first came to Forest Lake Estates to visit his brother, Don who bought in FLE in 1992. At the time he and Marjorie owned a condo in Fort Myers but after visiting he and Marjorie rented for five years here in FLE before buying their home in 2004.

Marjorie is the oldest of three children with two sisters and one brother now deceased. Al is the youngest of seven children consisting of five boys and two girls. Both Marjorie and Al had been married before with children of those marriages. Marjorie had 3 children, Darrin, Angela, and Christine. Sadly, Christine died at age 3½ after being hit by a car while playing outside. Al thru his prior marriage has four children, Gary, who lives here in FLE and is the only son, and three daughters, Nancy, Sandra, and Patsy. Al met Marjorie when he took his boat for a ride and found himself in need of a place to dock. The dock owner advised Al there was a vacant slip possibly available for rent while that boat was out for repair. The owner of that slip was a friend of Marjorie's.

*Visit of His Excellency Qiao Shi Chairman of the Standing Committee of the National People's Congress of the People's Republic*

It could well be said that Al's introduction to Marjorie was inevitable. They began dating in 1975 and on October 26, 1979 they were married. Together, Marjorie and Al have 14 grandchildren and 6 great grandchildren.

At the time Al and Marjorie met in 1975, Al was a dairy farmer on the family farm in Barrie, Ontario, Canada while he was also involved in municipal politics. While politics took a stronghold on Al's life and career, his rural roots feature prominently starting with his upbringing on a cattle farm in what was then Oro Township. His father sold milk to a Barrie-based dairy, shipping the product in large cans "cooled in the back shed of the house with Lake Simcoe ice from their icehouse." Following in his father's footsteps, Al went on to purchase his 1<sup>st</sup> farm in 1959. His grandson is successfully running that farm yet today. That farming operation, while undergoing numerous changes throughout the years, had the highest producing dairy herd in the County of Simcoe and the highest producing cow in all of Canada.

Al's career took a sharp turn when he went into a life of politics in December, 1963. He ran for and was elected to a seat on the Municipal Council. Since then he has served as Reeve, Deputy Reeve, and Warden, has served on all legislature committees and chaired two. At one time, Al was Chief Government Whip, the equivalent of the U.S. Speaker of the House.

Highlights of Al's illustrious career:

- Election to Warden of County Council
- Being elected as Speaker of Parliament (by colleagues)
- AS MPP, his business meetings with various countries
- Meeting with Senators and Members of Congress in U.S.A.
- Meeting with Massachusetts Governor Dukakis
- In Sacramento as Ed Skelton addressed Congress
- Meeting in Cleveland, Ohio for Speakers only
- Washington meeting with Senators and Congress
- In England, meeting with the House of Lords
- As Speaker, meeting Kuala Lumpur in Malaysia (speakers only from many different countries)
- Travel to Melbourne, Australia and Hong Kong

*Pope John Paul II, Midland 1986*

Retired in 1999, Al proudly served 41 years in Public Life, having won 19 elections, and served as Chairman of Finance, County and Provincial. Al published his memoirs in "The Farmer Politician".

Al & Marjorie continue to lead an active life here at FLE so when you see them walking, or engaged in an event, stop by and say hi. If you don't know them, introduce yourself. They are an asset to FLE.

## Message from the Desk of Vince Boido

Editor in Chief and FLEHOA Vice President

A few weeks ago, we lost a great family man, friend, and neighbor, Jim Gross. Jim was well liked by all. He was a member along with his wife, Netty, of the Party Hardy Putt-Putt League, Pool Volleyball, and volunteered in raffle tickets at the dinner dances. Many of you may know Jim from the dog park where he and "Peaches" would spend daily time. Military services were held at Memorial Park and attended by several hundred guests. Rest in Peace my friend, you are sadly missed by all.

This came to me from his wife, Netty,

*"From myself and my family from the bottom of our hearts, thank you for showing your love and support. To all who attended the ceremony and gathering after, I want to say you made the hardest day of my life bearable. Also, many thanks to ELS for helping to make the day possible, as well as for all the cards and gifts. Love, Netty"*

### Be a Real-Life SUPERHERO for Abused, Abandoned and Neglected Children

**Children in our Community Need Your Help!** Domestic violence, substance abuse and mental health issues are some of the reasons there are so many children who have been taken from their parents and placed into the Dependency system (sometimes known as the foster care system). There are currently over **1000** children in Pasco County alone in the Dependency system. Out of those, there are **over 500** abused, neglected or abandoned children still waiting for someone to be their voice....to be their SUPERHERO. That someone is a Guardian ad Litem volunteer whose mission is to speak up for a child's best interest to ensure they *thrive*, and not simply survive. A Guardian ad Litem is a volunteer appointed by the court to advocate for the best interest of an abused, neglected or abandoned child. They are the voice of the child. Research shows that children, who have a Guardian ad Litem, spend less time in foster care, do better in school and have a much better chance of being reunited with their parents or getting adopted than those who do not.

Everyone is familiar with SUPERHEROES like Batman, Spiderman and Cat Woman. However, SUPERHEROES are not solely found on the big screen. By definition, a SUPERHERO is *"one who has special strength or powers and uses it to fight evil, do good things and help other people"*. Being the voice of a child and ensuring that their best interests are served, is indeed a special power that can be used to help these children experience normalcy, be treated fairly and obtain a permanent home more quickly. And, it only takes an average of 8 - 10 hours per month! There are four simple steps to becoming a Guardian ad Litem "SUPERHERO" volunteer:

1) **Attend one of the weekly Information Sessions**

Information Sessions are held each Tuesday at 10:30am and 6pm at the New Port Richey office, located at 8324 Corporate Way, NPR, FL 34653. To view dates and register, visit the calendar of events at [www.herotoachild.org](http://www.herotoachild.org) to register or call 727-834-3493. Sessions are also held monthly at the Dade City Library and Land O'Lakes Library (check w/library for exact dates).

2) **Complete an online application after attending an Information Session**

3) **Participate in an interview**

4) **Attend Training**

**YOU CAN make a life long difference in the life of a child! Will you volunteer as a Guardian ad Litem and be the SUPERHERO for an abused, abandoned or neglected child? If not YOU, then WHO?**

To learn more or to join the Pasco Guardian ad Litem team of SUPERHEROES, contact Larnelle Scott at 727-834-3493 or [Larnelle.scott@gal.fl.gov](mailto:Larnelle.scott@gal.fl.gov) or visit [www.herotoachild.org](http://www.herotoachild.org).

## Forest Lake's Third Annual Pillowcase Day

On February 28, the clubhouse was busy, with the quilting group and friends making pillowcases for "Ryan's Cases for Hope", an international charity that provides colorful pillowcases to area hospitals for children undergoing cancer treatments. This year, we had 30 people participating, with 16 sewing machines, 3 sergers, and 11 "support staff" working hard, and having fun! In 4 hours, we completed 325 pillowcases!! We beat our previous record by over 100! I'd like to thank all those who worked hard, donated fabric, and came to help put a smile on some children's faces. If you are interested in learning more about this wonderful charity, and would like to help, please check out their website. [www.casesforsmiles.com](http://www.casesforsmiles.com).

# So... what IS Music in the Park?

If you are anywhere near the Forest Lake Estates clubhouse and hear sweet sounds wafting from inside, chances are you're listening to one of our many "Music in the Park" groups.

The Music in the Park committee was formed eight years ago, but we still often hear the question: "What exactly IS Music in the Park?" So, here's a little "then and now" info all about our committee!

## **In the beginning**

Music has been an important part of FLE since the first choral group was formed 21 years ago. The group was reorganized in 2001 as the "Sounds of Silver Chorus" (SOS) under the direction of Constance McKay, rehearsing weekly and performing two concerts each year. The SOS raised revenues that funded not only sheet music, but also instruments and equipment that we continue to enjoy today, including the current piano, the choral risers (stage) and sound equipment, and the tone chimes for the Forest Lake Chimers group.

## **Continuing the legacy**

After Constance retired and no replacement could be found, the Music in the Park committee was formed to support musical activities in the park. The committee has added to the SOS legacy, raising funds through donations at musical events and through our fall yard sale, to purchase additional sound equipment and the acoustic stage curtain, and even a television and video projector. As fundraising is our only source of income to allow us to purchase this equipment, we appreciate everyone who has contributed donations at performances and events!

## **The park is alive... with the sound of music!**

Music in the Park makes many musical events possible for FLE residents to enjoy, including the Christmas Sing-Along, Variety of Talents Showcase, FLE Chimers, Karaoke Sing-Along, Music Jams, and the Open Mic Night. Music in the Park also makes our equipment available to other activities, operated by our trained volunteers.

Recent changes in our community and the show of support from the new HOA and ELS have been encouraging. The addition of the divider in the clubhouse should lead to even more musical activities and other activities in our park. It would be great to have a chorus again, we just need an organizer and a director!

Many thanks to Jim Dill, the HOA, and Steven Bagiardi for the wonderful "Wedding Vow Renewal Ceremony" on February 14, 2018. Thanks for placing a complete copy of the "Wedding Vow Script" in FLEHOA Happenings. The special luncheon and dance were very enjoyable. The gift from Steven Bagiardi was so thoughtful. It gives us a lasting memory. So well done!!
