Thanks and Welcome

Thanks to our 2017 FLE HOA Board for all their major accomplishments. A special thanks to Toni Beaton and Ralph Bechtold for their great support. Toni will continue to help with the social activities transition and Ralph will continue to be the point person on purchasing memorial bricks for our Memorial Park.

Welcome to our 2018 FLE HOA Board of Directors. The Board still has much to accomplish this coming year. A special welcome to our two new Board Members...Carolyn Keithley and Rick Schlager. Carolyn will be the new Social Director and Rick has already jumped in to lead a couple of efforts for this coming year.

Message from the desk of Jim Dill

Forest Lake Estates Homeowners' Association (FLE HOA) President

Hope everyone had a wonderful New Year. We had almost 200 of our family and friends join us for New Year's Eve. We all had a great time. 2018 is kicking off with a bang. We have so much going on and elected four new Board Members. In addition, we held our Officer election and will talk more about that. In order for us to have another spectacular year, we need new volunteers to step up and help out. We have had so many come forward and we do appreciate your help. If anyone is interested in helping out with any of our function or activities, please contact any Board Member.

Right after the January 11th General Meeting, I convened a Special Board Meeting to elect your 2018 officers and to discuss the current Chairpersons. Below is current listing:

President – Jim Dill
Vice President – Vince Boido
Treasurer – Trudy Ansel
Secretary – Wendy Coache
Social Director – Carolyn Keithley
Recycling Director – Larry Shapiro
Director – Mark Matthews
Director – Rob Faulkner
Director – Rick Schlager

Membership Chairperson – Janice Collins
Activities Chairperson – Eileen Lane

As you can see, nothing has changed much for 2018. I am looking forward to working with all of them this coming year. It should be very exciting.

Also, here are a couple items of interest from our meetings with the Board and Steve:

- ◆ Steve announced the 2018 Capital Expenditure Projects and they will be making significant changes to the mail box parking and will be installing an outdoor fitness area south of the tennis courts.
- ◆ Stuart had installed four new signs – hours of operation for recycling area; rules for use of outdoor kitchen; no pets, bikes or golf carts in Memorial Park; and resident access to dock near Ritchie Dr.
- ◆ Veterans' plaques should be available within the next few weeks. I am working with designer to modify existing plaques and come up with final cost.
- ◆ We will have a Health Fair on Feb 27th with the blood mobile in attendance.

Forest Lake Estates
Homeowners' Association

6360 Spring Lake Circle
Zephyrhills, Florida, 33540

Message from the Vice-President and Editor-in-Chief—Vince Boido

One of the functions of your homeowner's association is to represent homeowner's concerns with park management. The FLE HOA also cares very much about improving the community, making a better place to live, and welcoming your ideas. As a result, a locked drop box and complaint/suggestion forms will be placed in the club house lobby. I have asked Neil Wright to construct a wooden box with a slot at the top and the ability to lock the box.

A copy of the ELS resident form has been included in the back of this newsletter. Residents should use this form if they have an issue that needs to be addressed. The HOA Board will then go through the forms, solve what problems they can solve and pass the rest on to Steve at ELS. Names must be on the forms but will never be used when addressing issues.

Membership, Telephone Directories and Newsletters

Membership Sales at the Clubhouse on Mondays have ended. If you haven't already joined, please contact Janice Collins, Membership Chairperson.

Newsletters are only delivered to HOA Members who have not opted for an electronic copy. If a resident arrives late and does not have a newsletter, they can contact Janice – so please help us by informing latecomers where they can obtain one. If they are renters they can ask the owner if the dues are paid and if it is, they can get both an electronic copy and home delivery. Also you can tell them about the Associate Membership—they get all the features of membership except voting privileges.

Resident Directories were delivered to every residence but if you haven't receive one, please contact Janice.

If you have any questions, please call Janice Collins, Membership Chairperson @ 813-788-5678.

Thank You FLE Residents (originally posted on Facebook)

I started this post off wanting to thank all those who participated in caroling during December. These "groups" on Facebook helped to inform, so I would like to place this post in the same "groups" to say thank you.

I also was feeling extra blessed today, so I hope it is okay to write more. Every day I marvel at how many kind, giving people there are living and/or working at FLE, and how we are all fortunate to share this beautiful place on our journey. Just reflecting on the recent Christmas season reminded me of the numerous events we had the opportunity to be part of in person or spirit.

I opened the 2018 Resident Directory today, and pages 3 and 4 made me smile. It reminded me of many of the people who go out of their way to lead and enrich our lives throughout the year. Thank you so very much! There are many others who we know aren't listed, but in their own special way also make living here better. Even as we begin 2018, many people are stepping forward to lead and volunteer. I hope they get encouraged and thanked each day, and that they can be patient if some of us forget to show our appreciation.

When we went caroling in December some of us had the privilege of being in the presence of people who could not be as active. Witnessing several residents smile and even sing along from a hospital bed in their home is a humbling and moving experience.

Whether we are new to FLE or long time residents, I am glad we can share this part of life's "adventure" together. Once again, thank you to all those who share their positive energy.

Social Greetings

FLE is off to a great start in 2018!

I want to thank everyone who supported me for the position on your HOA Board. I look forward to working with everyone. I plan to work closely with Toni for a smooth transition. That being said, it is time to get to work.

My plan involves the addition of volunteers to work with me. A job shared by many is lighter for all. I am looking for volunteers for:

- Ticket sales Mondays and Tuesdays
- Kitchen chairperson
- Band chairperson

Call me and we'll talk. Work with me and let's give back to our awesome community.

We still have a need for volunteers for Saturday night dinners. Please consider chairing a dinner. We will help you.

Lending for Little Ones

They are the best of us! They are our grandchildren and great-grandchildren. We are so blessed when these wonderful little ones come visit us.

Lending for Little Ones. We are still here. People lending items to each other when little ones arrive. We currently have people signed up with a variety of items available to lend to people who have little ones visiting. We have such things as pack & play porta beds, strollers, high chairs, car seats, water flotation items for babies, water wings, bicycles and more.

With this program, park residents lend their own items to each other when little ones arrive for a visit. Even though we have a variety of items, we still need more volunteers willing to lend items to others, especially during the busy prime visiting time. If you are willing to lend items for our little ones or, if you have a little one arriving and need to borrow something, contact me and we'll add you to our list and/or try to accommodate your needs.

We will have the information about what is available posted on the bulletin board at the clubhouse.

I can be reached at 248-459-7187 or bitel1976@gmail.com.

Thank You,
Cyndi Bitel

Grimsley's in our Park!

By Judy Thiese

Today I thought we'd take a trip down memory lane. How many of you stayed up late on Saturday nights as youths or even young adults to watch the late night horror shows? And can any of you remember the tv show "Host of Horrors" or do you recall the name "Grimsley"? Well allow me to introduce you to the man who with his father's help, created the character "Grimsley" and comes from quite a family of famous television and movie star actors, actresses, directors and producers.

Robert Foster was born September 23, 1948 to Norman Foster and Sally (Baines) Young-Foster and currently resides on Utopia Drive here in FLE with his wife Stephanie Payne Foster. Robert's only sibling was his beautiful & much adored older sister, Gretchen, a former model and world traveler who sadly passed away last year, 2017. Gretchen was named after Robert's & Gretchen's famous aunt, Loretta Young. That's right. Robert's mother was Gretchen Young's sister whose name was changed to Loretta for stage at her agent's advice.

As a youth, Robert attended Loyola High School of Los Angeles, a Jesuit preparatory school for young men. It is today the oldest high school and continuously run educational institution in Southern California. He continued his education at Loyola College where he realized his true ambition was to follow in his parents' footsteps on stage. Robert says he literally grew up on Disney sets watching his dad while he worked with Walt Disney and Fess Parker as Director in the creation of the "Davy Crockett" television series. His father's legacy is long as he began his career while working as a reporter in New York. There he met and married his first wife, Claudette Colbert which too soon ended in divorce and after which he began dating Loretta Young. While waiting for Loretta one evening, Norman Foster, was introduced to her sister, Sally. It was love at first sight and Loretta was all but forgotten when he married Sally Young. His acting career was in high gear as he played the son of Will Rogers in the original movie "State Fair". One time while on location with "Zorro" Robert's dad affectionately referred to him as "the little bastard". HE says... "Twit that I was, I saved his life that day!"

Dad with Fess Parker and Walt Disney

Mom and Aunt Loretta

Robert's mother, Sally Young, left her own legacy in the acting world working with such great stars as Cary Grant and Don Ameche, Spencer Tracy, Clark Gable, David Niven, Franchot Tone and Bela Lugosi. She began her career in silent movies and starred in "the Shiek" with Rudolph Valentino as an Arab child.

She performed in as many as 98 films including the 1933 production of the "Night of Terror" with Bela Lugosi and W.C. Fields in "Fools for Luck." Sadly, Robert lost his mother when she passed away August 27, 1997.

As a young man, Robert found himself in New York City, taking residence in darkened hotel rooms to sleeping in phone booths when eventually, showing all the signs of malnutrition and Beriberi was sent home. After recovery, while waiting for a job interview at a local television station, he overheard some mailroom chatter. "Who's that?" followed by the response, "Some big shot from New York." That big shot from New York had been homeless, wandering the streets of the Bowery. Before long, the station owner wanted to meet him. It was Gene Autry who gave him his own Halloween Special... a 2 hour time slot in prime time. The old Gunsmoke set was magically transformed into the "Grimsley Mortuary. While sneaking into a local cemetery for a photo shoot to somehow entice TV Guide for their cover, we noticed an open grave nearby. At the same time a group of schoolchildren happened to come by. They took one look at Grimsley in his rotting coattails climbing out of the ground and took off, screaming at the top of their lungs for their lives! "One of the highlights was when Robert was working inside the Stretch & Hold Room for entry to the Haunted Mansion. As a young girl approached him, she commented, " I hope you don't take this the wrong way, but you look as if you belong here." It was one of the greatest compliments he ever received. House rules didn't allow him to tell her he was indeed one of the characters she would meet inside the Haunted Mansion.

continued from previous page

Near pathological shyness did not help at personal appearances, but one evening, a mother and her daughters arrived, all with severe facial disfigurements after a horrid fire. And there they were... posing with Grimsley and taking pictures.

Robert feels he learned a very profound lesson in the space of a few camera flashes that day... "Beauty is indeed in the eye of the beholder"! He made certain to kiss each one of them before leaving that day. After that, viewers would write Grimsley with the most heart rending stories of personal travesties... the human abyss. Some way, they had seen through the wicked persona of Grimsley or perhaps because he was so horrid, they felt they could open up to him.

"Grimsley. Those were the days," remarks Robert. Television ratings were virtually life and death with real competition and so few stations. There were roughly 750,000 viewers on a good night. Robert claims he had Gene Autry to thank for the first show, taped on the old "Gunsmoke" set. He made Grimsley's armchair with a prop found on the lot and one night while watching "The Ten Commandments"... there it was again... in a key scene! It was the copper mirror! From Grimsley to the Ten Commandments! Amazing!

Robert signed the contract to play Grimsley literally 8 hours after his father passed. It was Robert's father who had reshaped the character, refining him to an exquisitely rotten person. Prior to his passing, Robert asked his father for details of how he'd like his estate handled. His father's response: "I would like Grimsley to conduct my funeral. Norman Foster passed away July 7, 1976 leaving a legacy as an actor, film director and screen writer and had made 141 films, 52 as an actor, and 89 as Director, Just for comparison, his production of "Davy Crockett" was a world wide phenomenon... and according to Leonard Matlin... much bigger than Star Wars!

Robert continued his acting career through the years and recalls one of his major roles as that of "Scrooge" in the Albert Finney movie, "Scrooge". Once, after a performance of Scrooge on stage, children were waiting to meet him and had collided, leaving one with a bloody nose. The parents mistakenly thought that Scrooge had punched the little boy in the face. Another time, after a performance and the matinee curtain had closed, there was no applause... only a distinct clicking sound coming from the audience. Looking beyond the curtain, Robert realized there were no theatre seats... all had been replaced with wheelchairs with children with prosthetics for arms, and hands, and enthusiastically clanging their hooks together. He was overcome with emotion.

Cases for Smiles

3RD Annual Sew-a-thon

On Wednesday, February 28, 2018, the FLE Quilting Group is sponsoring a pillowcase sew-a-thon instead of our regular quilting session, from 11am-3pm. We would appreciate your help. We are making bright, kid-friendly pillowcases to be donated to hospitalized children in the local area. This is in support of an established international charity. If you can use an iron, pin fabric, or sew, using your sewing machine or serger, we can use your help. You can also donate fabric, make one or more pillowcases, or donate directly to the charity. Each pillow case uses $\frac{3}{4}$ yard of bright kid-friendly fabric (100% cotton), for the main part, and $\frac{1}{3}$ yard of coordinating fabric for the cuff.

If you are interested, please call or email me so we can plan our day. We will have a short, briefing session on February 7th for our volunteers to describe the process, so we can begin immediately on the day of the event. We want to make as many pillowcases as we can in four hours. Last year we made just over 200!

You can find out more about this charity by visiting their website: <http://caseforsmiles.org/>

A pattern for the pillowcase is available here: <http://caseforsmiles.org/get-involved/>

Art in the Park

It's amazing how fast time flies. It was Christmas only yesterday and today I'm sitting at my desk planning my next Acrylics class for Art in the Park on Wednesday, February 21st. At the last HOA General meeting, President Jim Dill announced that on St. Valentine's Day, February 14th, a Wedding Vows Renewal Ceremony would be offered in the Memorial Park with a light lunch to follow in the clubhouse. On that note, I thought it might be nice for our class to paint a more "romantic" picture exhibiting and commemorating the event. I've selected a silhouetted couple holding hands as our picture to paint. Remember that we start promptly at 10 am on the stage side in the clubhouse. Those who'd like to join us as we paint please call Judy Thiese at [813-862-5013](tel:813-862-5013). Please speak clearly and leave your name and phone number so I can return your call should I be unable to take your call at the time. As always, class size is limited so please don't wait to get your name on the class roster. Until then, Happy St. Valentine's Day!

Trivia

There are two TRIVIA nights planned Sunday, Feb 18th (6:30 p.m.) and Sunday, Mar 25th (6:30 p.m.). Entry is \$2 a person, with a maximum of 6 max. Singles, couples and part teams may register. Please leave your "devices" at home. All money collected will be returned as prizes. To register, please contact Sylvia Verdenhalven at 813-702-6071 or verdenhalven@sympatico.ca

Recycling Committee Report

In January 2018, we started to lock the paper/cardboard bins and set up collection hours of 10:00 to 12:00 on Tuesdays, Thursdays and Saturdays. Committee personnel are monitoring the bins to make sure that people understand what is permitted and what is not. So far it has gone quite well.

The main comment that we have received is "it's a shame that we have to lock the bins and monitor", which we all concur, but this step was taken because unlocked and unmonitored was resulting in garbage being thrown in. It's not a perfect solution but it is working for now.

We held a Recycling Committee meeting on Tuesday January 16th and had 22 interested people attend.

A representative from Pasco County Recycling came to our meeting and discussed the general status of recycling in Pasco. She said that we are actually doing quite well and that a lot of communities have gone to locking bins and monitoring because of abuse.

We hope to expand our program at some future time, but this is what we are going with right now. Anyone interested in being part of Recycling, please email me Lshapiro@outlook.com or call 607-346-0217.

Cans for Kids will be putting out new blue barrels with recycle symbol shortly. Make sure clean and only aluminum cans go into these barrels.

Thank you Larry Shapiro
