Phyllis Schlager

Phyllis Schlager, 89 years young, was born Phyllis Mac Phelemy on August 21, 1928 in Abington, Massachusetts. She had 3 siblings, an older sister, a younger brother, and a younger sister who passed away years ago. Phyllis grew up in Abington,

Massachusetts, graduating from Abington High School in 1945 at age 16. After graduation she worked retail for a brief time and at the hospital. She met the love of her life one day when stranded after work and in need of a ride home. A friend came by, seeing her by the roadside and offered a ride home. Her future husband and lifetime love was driving that car. Richard Schlager, often called Dick, was driving that car while home on furlough from the Navy. They began corresponding while he continued his service to our country and in 1947 they were married. They built their first and only home in 1952 where they raised a family of 3 children, Rick, Brenda, and David. Rick and his wife Anne reside full time nearby, here in FLE. Brenda and Brad also own a home here in FLE and hope soon to also become full time residents. David is also married to his lovely wife Gay but to date, he hasn't

invested in our community.

Dick and Phyllis have 6 grandchildren and 8 great grandchildren. Phyllis enjoys spending

time with the family and all the grandchildren and great grandchildren.

Before coming to FLE in 1990, Phyllis and Dick owned and operated the Surf View House Inn in Falmouth, MA near Cape Cod for 10 years. Since coming to FLE, Phyllis and Dick got immediately involved with community events, co-chairing the Garden Club where they were responsible for buying, planting and caring for the many gardens around the park. They also co-hosted dinners and other community events including a Hawaiian Luau and New Years Eve dinners, etc. and helped with the decorating committees for several years. Phyllis also held a position on the Social Club Board of Directors. Sadly, Dick passed away in 2013 after 65 ½ years of wedded bliss.

Today Phyllis enjoys numerous hobbies, knitting, basket weaving,

calligraphy, and golf. She still golfs twice weekly with the Ladies' 9 hole group on Tuesdays and the FLE couples' league on Sundays at

Scotland Yards Golf & Country Club.

Teddy & the Roosevelt Bears was one of several very old books Phyllis has savored since childhood.

She also hosts a collection of childhood memories through old books... one of which her great aunt wrote and illustrated in 1938. Today, Phyllis says she is “happily

Message from the desk of Jim Dill

Forest Lake Estates Homeowners' Association (FLE HOA) President

Wow! What a wonderful first year we have had as a new Home Owners' Association. Rather than talk about the highlights of the December General Membership Meeting (you can read from Wendy's notes), I want to highlight some of our major accomplishments for 2017 and some goals for 2018 that I will discuss with the new Board after the election and induction of new officers.

Here are some major highlights from 2017:

- ◇ We took over all social events and activities in the Park and successfully transitioned them from the Social Club to the FLE HOA Social Director
- ◇ Elected first full FLE HOA Board and the Board installed new officers at the 2017 Annual Meeting
- ◇ Approved first-ever FLE HOA budget
- ◇ Had very aggressive membership program with 80% of all households joining the HOA
- ◇ Worked closely with park management on all 2017 major projects ensuring they were completed before Oct 1st
- ◇ We had many volunteers who made all our social events and activities a huge success
- ◇ Maintained outstanding communications between Park Management, HOA Board, and all residents
- ◇ Conducted several activities over the summer for our full-time residents
- ◇ Successfully built and opened our Memorial Park and conducted outstanding Veterans' Day Ceremony

There are so many more accomplishments I could list, but it could go on for several pages. None of this could have been successful without the full support of all our residents who volunteered their time and effort. Thanks to all who gave their valuable time to help. We need more of you to come forward in 2018 to ensure we have another great year.

Below is a list of 2018 goals that our new Board will review and approve before the Annual Meeting in February:

- ◇ Maintain outstanding relationship and communications between Park Management, HOA Board, and all residents
- ◇ Maintain membership above 70% of all households
- ◇ Expand summer activities and events
- ◇ Get all new Board members trained and certified within 90 days of election
- ◇ Manage FLE HOA finances judiciously to ensure we meet community desires and needs
- ◇ Continue efforts and activities to foster a greater sense of community within the Park

Christmas Carol Sing-a-Long and Tree Lighting

The Holiday Season kicked off on Sunday, December 10th with a Sing-a-Long in the Clubhouse and then we all went across the street to the Memorial Park and enjoyed hot chocolate and the Christmas tree lighting.

Continued from previous page

- ◇ Promote park-wide compliance with new FLE Rules and Regulations
- ◇ Act as advocates for all FLE residents with issues that affect the Park
- ◇ We need many volunteers to help FLE HOA Board achieve all our goals – recruit volunteers to help out with social functions and activities
- ◇ Develop list of projects we can submit to Park Management for 2019 Capital Expenditure Program
- Continue to work with Utilities Inc. of Florida and City of Zephyrhills on all water and wastewater issues

I hope you all had a very Merry Christmas and a Happy New Year. May you have a blessed 2018 and it be filled with the joys of love, peace, and prosperity.

Thanks Jim Dill

Important note regarding our new Automatic External Defibrillator (AED)

The AED has been installed in the clubhouse near the main entrance. Hopefully it will never be needed, but if it is required, it is easy to use. The unit your HOA purchased has three ways of giving usage info – voice, text and video.

Two things to remember though:

1. If someone is having what might be a cardiac event; have someone call 911 and provide the 911 dispatcher (in a calm and precise manner) the information they ask for.
2. Go get the AED, turn it on and follow its directions. Please remember using an AED by itself is not enough. CPR MUST be initiated. For those persons who are appropriately trained, apply CPR along with rescue breathing.

Everyone is encouraged to visit the following website and become familiar with our AED (If you are reading on line, you can click the link).

www.defibtech.com/us/lifeline-view/features

The AED your HOA purchased is a Defibtech Lifeline View.

Rules for Outdoor Kitchen and Grill Usage

- Must make \$50 deposit at time of reservation to hold date and time and to ensure full clean up
- Meet Toni or Eileen on patio on day of reservation to unlock grills, receive cooking tools, go over cleaning procedures, and give contact name and phone number
- Trash must be placed in the bins in the parking lot by kitchen door
- Must clean grills after use, clean up all food areas and all tables used
- Place table and chairs back to how you found them
- Agree when to meet again for cleaning inspection, turning in cooking utensils, and receiving deposit . Grills will be relocked after event

PLEASE MAINTAIN AND RESPECT THIS AREA FOR ALL RESIDENTS TO USE!!!

Caroling at Forest Lake Estates

On Friday December 22nd, some wonderful singers visited approximately 20 homes and sang carols to the residents.

Message from the Vice-President and Editor-in-Chief—Vince Boido

Last week we lost two classy women from the park, Bernie Green and Jeannette Austin. I didn't know Bernie but I heard she was a wonderful person. From my friends, I have heard how generous, kind and funny she was and she will be missed. Jeannette was in the Party Hardy Putt league for the past 4 seasons. She loved playing and she loved participating in the after golf activities and from time to time she got very excited to win a skin and make some money. She will also be missed. Rest in peace, lovely ladies.

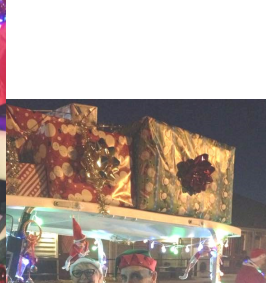

Seasons Greetings from the FLE Pool Volleyball Club!

FLE Golf Cart Parade

Thanks to everyone who came out for this...it was fun but it was cold!!!

 - 2nd place Karen Gordon
 - 3rd place Wendy & Roger Coache
- See everyone next year!

FLEHOA Board Candidates

Robert Faulkner

Seven years, three FLE homes and one year on the HOA Board - I love it here!

I proudly played a meaningful role during this first year of our elected Board under new ownership. This blended Co-op and FLENS group did an outstanding job!

Serving as one of your representatives has been my pleasure. That is due to the high level of respect, cohesiveness and energy the current Board has achieved.

I chaired the Negotiating Committee in our efforts to moderate the rent increases and to get other items dealt with as well.

At my initiative, we hosted an informative presentation by the Canadian Snowbird Association last winter.

I developed our first set of By-Laws which you approved last spring.

Recently, I arranged for the acquisition of the new Automatic External Defibrillator. At the Christmas tree lighting on Sunday evening, you might have received hot chocolate from an elf. Well, I was one of those two elves.

Holly and I are Canadian snowbirds from Nova Scotia. I seek your vote so I may continue to work with and for you as we strive to ever improve all aspects of life in FLE.

Rick Schlager

It never ceases to amaze me that we live in the most beautiful and friendliest manufactured home community in Florida. That is a testament to its residents! Throughout the history of this park, we the residents, along with the owners and Board of Directors have been responsible for the continued improvement year after year. It is a community where everyone has the opportunity to participate and should be very proud of. My wife Anne and I have been owners for 17 years and full time Florida residents for the past 9 years. I am so pleased at the direction the HOA board is taking our community. I would very much like to be a part of that direction. Should you choose to vote for me, I will use my financial and planning experience to compliment the vast experience of the current HOA Board members.

Thank You.

Carolyn Keithley

I am Carolyn Keithley and I believe that I am qualified to become a member of the FLE HOA Board for several reasons. My husband Harold and I reside in the park full time, which means I would be available all year. I am experienced in many areas from food service/catering to a retired nurse with ten years of management experience. I am a person who enjoys people and serving people. My years in nursing and as a nurse manager, gave me much experience in customer service and customer satisfaction. I want to help in any way I can to make our community better for the residents. I am always available to listen to your concerns and work with the HOA Board to find ways to resolve concerns or compromise to reach a solution that is favorable to everyone. I am fair and will do my best to make FLE the best that it can be for our residents. I hope that you will consider me and support me in the January 10th election.

FLEHOA Board Candidates

Larry Shapiro

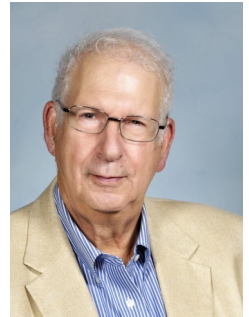

My wife, Hermine, and I have lived in FLE since 2011.

I believe in being an active participant in organizations and places that I live.

I have been involved in the following activities in Forest Lake Estates:

- Served on HOA executive boards for 4 years.
- Prepared the first operating budget for FLEHOA in 2017 and I am preparing the 2018 Budget.
- Conducted the Fiscal Audit of the check books (2015-2106) and preparing to do the 2017 Audit.
- Produced profit and loss statements for the board to monitor our financial performance.
- Chairing the Recycling Committee that is working to facilitate recycling in our park.
- Soliciting local businesses to advertise in our monthly newsletter.
- Participated in food prep and serving for Saturday night dinner dances.

I am an Army veteran . I have worked in the financial services business for more than 35 years. I would greatly appreciate your vote so that I can remain on the FLEHOA Executive Board and continue to work for the betterment of r community and make it any even greater place to live. Thank you.

Sandy Thiese

I am Sandy T. (Thiese), and my husband Alan and I have owned a home on Spring Lake Circle for 4 years. We currently reside in Spokane, WA part of the year, and the remaining 5 months at FLE. I have been a nurse for many years and have worked in a variety of settings including clinical, industry, public health and medical case management. For the last 25 years I have owned my own medical legal consulting business.

Last season I had the opportunity to serve on the rent negotiation committee which was very interesting, enlightening and a collaborative process. It was a very positive experience, which led me to consider running for the board. Over this past year, the HOA has accomplished many things to make our community and park even better. They have advocated for all residents, developed a working relationship with ELS, and helped to create an even more appealing park and caring community.

I feel very strongly about maintaining and enhancing our community and would like to put my energy in to action by serving on the board. With your vote I know I can be an asset to the board.

Donna Truby

I am Donna Truby and I live at 5931 Utopia Drive. We bought our home in October 1999 because my brother and sister loved living here. We moved here full time and have never been so happy.

I worked at Ford Motor Company for eight years, Best Buy Supervisor for 10 years and North American Bancard Retention Manager for 14 years. I've worked bingo for six years, first in the kitchen and now as a seller. We cooked for several dinner dances and also served. I've played in the Putt Putt league for two years. I would be a great asset to the HOA board. I am not afraid to speak up or make suggestions that might improve the living conditions in FLE. The ideas I have would make positive changes and benefit all homeowners in our park, for example, all the problems with the trees and damage during the hurricane Irma. I look forward to being one of your voices in the park, making our retirement years a pleasant and enjoyable way of living. Thank you for your vote.

FLEHOA Board Candidates

Janice Taylor

I've chosen to run as a member of the HOA Board is because I love to work with and help people.

I proudly served 15 years in the US Air Force as a Medic. I went from Active Duty to Reserves, then switched to the National Guard. I worked in Nursing Homes and Hospitals as a Nursing Assistant and also did Private Duty. I have also done waitressing and worked in retail. A big part of my life for the past 37 years has been my cake decorating. Customer Service is my forte.

I've been in this park for a little over a year. I wanted to get involved so I joined the Putt Putt league, then the recycling committee and then the activities committee. At one of the Activities meetings we decided we needed someone to head the decorating committee. I volunteered to do that because I love to decorate I've also done some volunteer work in the kitchen.

Like anyone else I can only do my best, I will never have all the answers, but I will sure try hard to get them. I am a year round Forest Lake year resident. As an HOA board member, I can be an asset to our community. Thank you

Social Greetings

Goodbye 2017, Hello 2018

I'd like to thank everyone who made themselves available last year in so many different ways.

A big shout out to everyone who stepped up and volunteered. As you all know, this park wouldn't be the same or nearly as much fun without the volunteers who put in endless hours cooking, serving, setting up, tearing down, selling tickets, heading up committees, organizing, decorating, and all the other behind the scenes tasks that make these events seem so easy.

Thank You, Thank You, Thank You!

So why not start the New Year by becoming one of these volunteers? If you've been thinking about it, come work with us—meet some new people—give a little back to a great park.

Upcoming Dinner Dances

Jan 6 th	Mexican Dinner	Music by: Skip and Nancy
Jan 13 th	Stuffed Shells & Meatballs	Music by: Ken Brady
Jan 20 th	Stuffed Meatloaf & Mashed Potatoes	Music by: Flashback
Jan 27 th	Chicken Cordon Bleu	Music by: Shane Forrester

I'd also like to take this opportunity to say thank you to all the people who supported me as Social Director this past season. With your help, we managed to get through it. I will miss working with all of you and I will try to make this an easy transition for the next person! This park is an awesome place to live, and I will continue to volunteer and help out in as many ways as I can.

Wishing you a Blessed New Year!

Please be informed of the new policy for use of the Clubhouse

When an FLE resident passes away and the family and friends request the use of the Clubhouse for a Memorial Service, they will have priority use of the Clubhouse. All activities scheduled during this time frame will be cancelled. We will give the activity as much notification as possible so they can notify all others in the activity.

From the Bake Sale Table

A big thank you to all the FLE bakers (long time contributors and new) who helped make this year's bake sale the biggest one yet. Our bakers made lots of delicious breads, cakes, cookies etc. along with the popular Whoopie Pies. The proceeds of the bake sale were donated to the Thomas Promise Foundation. Of the \$872 raised, \$205 was from the raffle of a toy train handmade and donated by Rick Schlager. Thank you again for all the goodies.

Art in the Park

Christmas is over and 2017 almost at its end. It's been a busy year and an especially busy fall season, but as we begin a new year we reflect on the past and prepare for all the surprises the new year might bring. So in January, our acrylic art class will paint a beautiful red Amaryllis flower on a dark background. Be sure to get your name on the list if you'd like to be included in this class as class size is limited. Call Judy at 813-862-5013, leave a message with your name and phone number and the class you would like to join. Speak clearly so I can return your call should I have any questions or should there be any interruption with the class. Class will be Wednesday, January 17th and will start **promptly** at 10:00 am. If for any reason, you signed up for the class and can't attend, please call to cancel so another might take your spot. I look forward to seeing you and wish every one a happy, safe, and healthy holiday season.

Judy Thiese, Art Instructor

Paint with Judy

As mentioned in my note for "Art in the Park", it's been a busy year and the New Year is just around the corner. Since this class meets only once each year and lasts for 6 weeks (each Wednesday from January 24th thru February 27th **promptly** at 10 am), I thought we'd paint a lobster boat or a wintery/spring scene. I haven't decided yet and would like your input. So as you call Judy at 813-862-5013 to put your name on the 6 week class roster, let me know which picture you'd prefer to paint. In this class you will learn to draw the picture before painting in watercolor. Class size is limited so don't wait to get your name on the list. Please leave your name and phone number and which picture you'd prefer to paint. We will paint the one most requested. Meanwhile, I hope you enjoy your holidays and have a safe & healthy new year!

Lending for Little Ones

They are the best of us! They are our grandchildren and great-grandchildren. We are so blessed when these wonderful little ones come visit us.

Lending for Little Ones. We are still here. People lending items to each other when little ones arrive. We currently have people signed up with a variety of items available to lend to people who have little ones visiting. We have such things as pack & play porta beds, strollers, high chairs, car seats, water flotation items for babies, water wings, bicycles and more.

With this program, park residents lend their own items to each other when little ones arrive for a visit. Even though we have a variety of items, we still need more volunteers willing to lend items to others. especially during the busy prime visiting time. If you are willing to lend items for our little ones or, if you have a little one arriving and need to borrow something, contact me and we'll add you to our list and/or try to accommodate your needs.

We will have the information about what is available posted on the bulletin board at the clubhouse.

I can be reached at 248-459-7187 or bitel1976@gmail.com.

Thank You,
Cynthia Bitel

'Twas the Night Before Christmas

'Twas the night before Christmas, when all through the Park
Not a resident was stirring, not even a Ferrell cat;
The stockings were hung in the clubhouse with care,
In hopes that St. Pickle soon would be there;

By 9:00 the seniors were all snug in their beds,
While visions of donuts danced in their heads;
With Emily in her 'kerchief, and Jerry in his cap,
They just settled down for a long winter's nap,

When in Memorial Park there arose such a clatter,
Carmella sprang from her bed to see what was the matter.
Away to the window she flew like a flash,
She mounted her new bike only to see our train of trash.

The moon reflecting on our beautiful lake,
The alligators looking to see what to take,
When, what to my wondering eyes should appear,
It's the president of the HOA, and his board member reindeer,

With a little old driver, so lively and quick,
I knew in a moment it must be St. Pickle.
More rapid than eagles his coursers they came,
And he whistled, and shouted, and called them by name;
"Now, BOIDO! Now, COACHE! Now, ANSEL! And BEATON!
On, MATTHEWS! On FAULKNER! On SHAPIRO! And BECHTOLD!

To the top of the Clubhouse! To the top of Veterans' wall!
Now dash away! Dash away! Dash away all!"
As dry leaves that before the wild hurricane fly,

When they meet with an obstacle, mount to the sky,
To our mobile home roof-tops, the coursers they fly,
A golf cart full of happy hour appetizers, too.

And then, in a twinkling, I heard on the roof,
The prancing and pawing of each board members' hoof.
As I drew in my hand, and was turning around,
Down the chimney St. Pickle came with a bound.

He was dressed all in green, from his head to his foot,
And his clothes were wrinkly, with ashes and soot;
A case of beer he had flung on his back
Looking for a P O P to share his six pack.

His eyes -- how they twinkled! His dimples how merry!
His cheeks were like roses, his nose like a cherry!
His bright smile was drawn up like a bow,
And his five o'clock shadow was as white as the snow;

He was Kosher and Dill, sour and sweet,
And I laughed when I saw him, OH, what a treat.
A wink of his eye and a twist of his hip,
Soon gave me to know , he had too much to nip!

He started to dance, like no one was looking,
Busting a groove, and he kept on booking.
Was it the shuffle, the slide, or was it the twist
He was cute as a button, and hard to resist
It had come time to leave, and his work was all done.
Up the chimney he rose, FLE was such fun.

He sprang to his golf cart, to his board members gave a
whistle,
And away they all flew like shot from a missile.
But I heard him exclaim, ere he drove out of sight,
MERRY CHRISTMAS FOREST LAKE ESTATES, and TO ALL A
GOOD NIGHT!!

Christmas Eve at Forest Lake Estates

If you missed this night, make sure you mark your calendar for next year. Judy and Stan Banack hosted a pot-luck event from 5 pm on and the Club House was packed. The food was delicious and plentiful. The Keys were joined by Dana Parker and played a variety of Christmas music to make the whole evening merry and festive.
