"YOUR VOICE IN THE PARK"

Forest Lake Estates, Zephyrhills, Florida

December 2019

flehoanewsletter@gmail.com

Message from the Desk of Rick Schlager

Forest Lake Estates Homeowners' Association (FLE HOA) President

Many of our good friends and relatives are returning to Forest Lake Estates for the winter. It has already gotten cold and some white stuff has been falling in the northern regions of our country and Canada. Please give everyone a warm Florida welcome on their return.

We look forward to a monthly calendar full of social and athletic events around the park this coming season. Putt-Putt has already started along with Bingo and Ice Cream Social. Mid November will start dinner dances, Monday night sandwiches, Pizza and Wing night along with a monthly Fish Fry. Check your newsletter and calendar for dates and times.

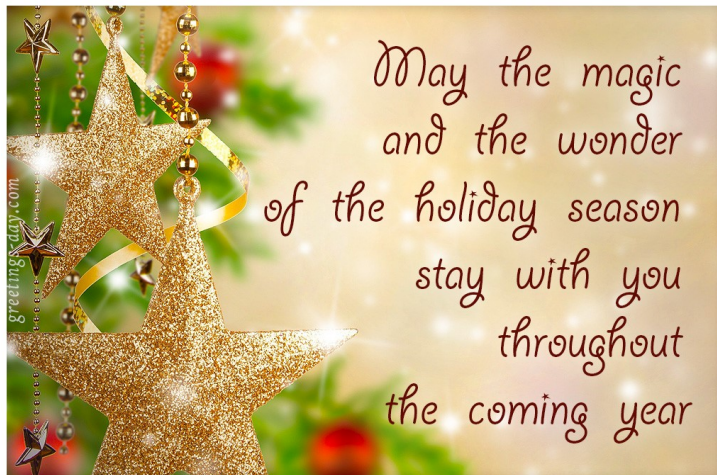

We continue to receive comments and complaints on a number of issues. These issues are not new but have plagued FLE probably since it's inception. Issues such as speeding, not stopping at stop signs, parking on sidewalks, too many animals at a home site, size of animals at a homesite, cleanliness of sidewalks in the common areas, cleanliness of a residents' home, abundance of weeds around a residents' home.

Rules were put in place to protect all residents in the park, not just a few. The rules are posted in the clubhouse on the wall between the poolside double doors and the kitchen door. These rules were a collaboration between the FLE Board of Directors and ELS. The rules were then submitted to the State of Florida for approval. In the month of December, the Board of Directors will meet with ELS Upper Management to work out a resolution to as many of the issues I have talked about and the enforcement of the approved rules. We will seek to implement a better system of control and compliance with the rules and regulations via the complaint process that ELS has put implemented.

It is the responsibility of each and every resident to file a complaint to the office when there are situations of flagrant abuse of the rules and regulations, whether that abuse is from a resident or a guest of a resident or workmen that were contracted by a resident. It is the Board's responsibility to work closely with ELS and set up adequate procedures to monitor those complaints to seek resolution and closure. This will be the Board's goal during the next couple months.

Thanks

Rick Schlager

Message from Social Director Carolyn Keithley

Our season is off and running with great turnouts for our events. This month is also going to be very busy with the holiday season. We're having a Cookie Exchange and Lunch for the first time on December 4th. Bring any number of cookies or candies that you would like to exchange for the same number. Lunch is going to be a choice of a soup, a sandwich, chips and beverage for \$5 and tickets have been on sale since November 18th. So, find your favorite cookie recipe and dazzle us with your baking skills. I can't wait to exchange and taste the wonderful treats. New Years Eve tickets will be on sale December 16, 17 and 23rd. Only three days due to Christmas Eve. We are still looking for teams to head our dinners for Saturday night dinner dances. It takes "our village" to make these events successful. We have everything you need to know to manage a dinner, in a binder with step by step directions beginning two weeks before your dinner. Contact me and I will assist you in planning a successful event. Happy Holidays to each of you and if you are traveling over this holiday season, have safe travels and we will look forward to your return.

2020 FLE HOA MEMBERSHIP CAMPAIGN

“YOUR VOICE IN THE PARK”

The purpose of the Forest Lake Estates Home Owners' Association (FLE HOA) is to ensure our membership and our perspective members are aware of the goals of our Association. We are now conducting our 2020 Membership Campaign.

Our mandate is to:

- Operate an Association encompassing the well-being of the business affairs of the Forest Lake Estates Home Owners' Association.
- Promote FRIENDSHIP and HARMONY between FLE HOA and the Park Owners, ELS
- Ensure rent increases are REASONABLE AND WORTHY; and
- Ensure ELS is in compliance with 723 F.S., the Prospectus, and all exhibits thereto.

It is important that a harmonious relationship be maintained between FLE HOA and ELS. It is also important that the FLE HOA stands firm on these mandates. All Forest Lake Estates residents have an investment that must be protected. The Park must continue to be maintained at the highest levels.

The FLE HOA is the ONLY entity recognized by the State of Florida to represent all the residents in the Park. There is no one else looking out for your best interests other than the FLE HOA. The HOA must have 50% plus one resident to be a viable HOA. We invite all resident to join the HOA and support the entity that supports you. The dues monies go into our general fund for operating expenses, activities and legal support. Message from Park Manager Peggy Cortes

A few housekeeping items from park management:

- Home Maintenance - Trim, gutters, eaves, and sidewalks are part of the maintenance of the homes. They should be kept clean and free of mildew.
- Pets must be on a leash when outside and it must be supervised at all times.
- Following speeders is NEVER a good idea as it could cause altercations among neighbors. All violations should be reported to the office in writing.
- Alterations - Please allow 15 days to receive an answer on the exterior modification forms - (we are getting forms wanting to be approved the same day). The form must be completed entirely, returned to the office, and with a sketch/drawing of the proposed project.
- Management Office Policy - NO SHIRT, NO SHOES, NO SERVICE.
- Resident Referral Program - Residents will receive a \$2,500 referral fee if they refer a friend to purchase the new house on Jessup. The listed price is \$105,500.
- Entrance Gate - We are planning to start working on the gate upgrade on November 18th. The gates will be down for a few weeks while the upgrades take place.

Introducing FLE Resident.....Kevin Hall

From the desk of Judy Thiese

Wow! It's November! Where has the year gone? We've just celebrated Veteran's Day with a beautiful ceremony here at FLE, honoring our Veterans and today I'd like to introduce one of those veterans to all of you here at FLE... Kevin Hall

Kevin served our country proudly when he enlisted in the U.S. Naval Services, just out of High School. He started out in the Engine Room as a Boiler Tech before volunteering for EOD (Explosive Ordnance Disposal. He was later transferred to Italy where he served from 1983-1986 . In January, 1996, Kevin retired having attained the rank of Chief Petty Officer.

Kevin hails from Gaylord, Michigan which is in the northern lower peninsula and less than 1 hour from my home in Cheboygan. He met the love of his life in Jr. High but didn't date until High School. Kevin played the saxophone in his high school band and married Brenda just after High School graduation and his enlistment into the U.S. Navy. Together, they have 3 children and 7 grandchildren, all of whom presently reside in Michigan.

Kevin & Brenda are members of the 1st United Methodist Church, where he serves as a "Stevens Minister". Myself, a Methodist, I was unfamiliar with that title. He explained that the Stevens Ministry began in the Presbyterian Church decades ago. Duties include helping "men only" by regulation, to get through grief, tragedy, death, imposing death, or catastrophic incidents or injuries with the sole exception of Mental Health where they are referred to other help within that field for which they are not trained.

Asked how he heard about and eventually came to Zephyrhills, he stated that during their travels in Michigan, they had the opportunity to meet and speak with numerous tourists from the area. They first moved to Utopia, but after selling their Michigan home, quickly realized they needed a larger home with more space and bought the home at 5945 Benz where they presently reside as permanent residents with their dog, "Bear". Kevin enjoys fishing for the large moth Bass off the dock on our lake here at FLE and together they enjoy dining out with others and with friends at their homes. When you see them out, introduce yourself and please take the opportunity to thank Kevin for his service to our country.

Seasons Greetings

Christmas Caroling in the Park

Sunday, December 22nd from 5:30– 8:00p.m.

On Sunday, December 22nd from 5:30 to 8:00 pm a group of volunteers will be traveling throughout some of this park, (mostly in golf carts) to bring Christmas cheer to our neighbors who are less able to get out to other Christmas activities. Our main objective is to ensure that they feel included in our circle of friendship, and to be physically present to them by singing a few Christmas carols, and gifting them with some sweet treats. You are most welcome to join us, by meeting in the clubhouse parking lot between 5:15 and 5:30 that evening. We then proceed on a pre-determined route throughout the park. If you do not have a golf cart, perhaps you could arrange to ride along with someone who does.....the more the merrier.

Last year we visited over 25 homes. As you can imagine, this takes some time and organization to do, so I hope you can help me as the planning process begins. If you know of someone who is in need of some extra Christmas cheering, please ask them if they would like us to carol for them that evening. If they agree, and it is convenient for them, then just call me (Lenore) at 813-395-5185 with their name, address and phone number so I can add them to our list. If you are the one who would like us to visit, please just call me. You are precious too. Once the list is complete, (please...please....no later than Thursday, Dec. 19th), I then map out our route, call the resident with an estimated time of our arrival, and the team that divides the “sweet treats” assembles the gift packages. Last year we also went to each house before that evening to place a reflective marker. It is amazing how challenging it is to find some homes after dark, so this helps. We start early enough so that, to be considerate, we don’t arrive at any house past 8 pm.

There was a large turnout of carolers last year, and we hope to have as many, if not more. Usually we sang outside the home (the same carols each time for simplicity), while in a few cases our resident was in a hospital bed, so some carolers entered the home to sing. The entire experience is quite moving for all.

If you would like to contribute some homemade treats for this activity, our team will certainly make sure they are given to the residents in the homes we visit. They can be dropped off at my home, 6231 Spring Lake Circle, between Dec.19th and 21st. By then we will know the final numbers required, and the assembly can all be done for the Sunday, Dec. 22nd.

I want to thank everyone in advance, as so many helped in the past to organize and make this type of tradition a success. I hope this will be one of the many activities in our park that brings the true joy and peace of Christmas.

With your help, we will try our best to get to many residents who need some extra Christmas cheer. It is difficult to predict at this time how many homes we will visit, or what streets will be part of our route. Perhaps other groups might do some caroling too, but hopefully many of you can join us on Sunday Dec. 22nd from 5:30- 8:00 pm.

Regards, Lenore Bray (813-395-5185) 6231 Spring Lake Circle

Forest Lake Estates Shuffleboard

Welcome back to all FLE shufflers! It's great to see more members returning each week to the sunny south. The club will now be returning to its regular schedule of shuffling each morning (except Sunday) at 9:30am. Thursdays and Saturdays will continue to be "Hoss Collar" days. Bring 50 cents to join in the fun on those 2 days....all other days just come out for some friendly competition and meet some great people. Newcomers to the game are always welcomed.

Many of the local tournaments have begun for those members looking to expand their shuffling experience. As well, our 8 Park League will start up again in December, on Wednesday afternoons. We will be looking for volunteers to supply snacks for those afternoons, as well as participants to play...every other Wednesday our Park will host and on the alternate Wednesday players will go out to the other Parks in this league. Information will be posted on the Club bulletin board.

Our club is saddened to learn that long time resident and shuffler, Ray Dion, suffered some medical complications recently and is now residing in assisted living with his spouse, Phylis. Ray and Phylis were very dedicated to the Shuffleboard Club and maintaining the courts. We will miss them very much. We wish them well as they transition into their new home.

You can learn new techniques, and meet other quilters in our community. We bring a snack or lunch, as we usually take a short break around noon. This is also a great time to share information on upcoming quilt shows, shop hops, and sales specials at our local quilt shops. We hope to sponsor another pillowcase day in February, for "Cases for Smiles", with the pillowcases being distributed to children being treated for cancer. Last spring, our sewing day was a great success. Watch for the announcement of the date!

A Message from Your HOA Board of Directors: The HOA weekly e-mail blasts describing HOA sponsored events are for HOA members and is sent to everyone on our HOA e-mail list. The monthly newsletter provides information to HOA members both electronically and in printed form each month. The FLE HOA website (www.fle-hoa.com) contains information about our By Laws, Rules and Regulations, HOA and Board minutes, calendars for Social and Activity events, electronic newsletters and much more. If you want to receive e-mails and have access to newsletters and our website please see Janice Collins to join our HOA.

We as a board have mentioned numerous times that the Forest lake Estates Home Owners Association, Inc. is and will remain separate from the Forest Lake Estates Facebook page. We do not embrace or support posts made by members of that page. We oppose all posts of information concerning information that is solely for dissemination to our members.

The HOA Board works very hard for the betterment of our community and as a liaison with Equity Lifestyle Properties Management. Please join us in this goal. Thank you, Forest Lake Estates HOA Board of Directors

Lending for Little Ones

They are the best of us! They are our grandchildren and great-grandchildren. We are so blessed when these wonderful little ones come visit us.

Lending for Little Ones. We are still here. People lending items to each other when little ones arrive. We currently have people who have signed up with a variety of items available to lend to people who have little ones visiting. We have such things as pack & play porta beds, strollers, high chairs, car seats, water flotation items for babies, water wings, bicycles and more.

With this program, Park Residents lend their own items to each other when little ones arrive for a visit. Even though we have a variety of items, we still need more volunteers who are willing to lend items to others. Especially during the busy prime visiting time. If you are one of these people, willing to lend items for our Little Ones, please contact me and I'll add you to our list.

Or, if you are someone who has a little one arriving and need to borrow something, contact me and we'll try to set you up with the needs you have.

We will have the information about what is available posted on the bulletin board at the clubhouse.

Those interested, please contact me at 248-459-7187 or at my email address bitel1976@gmail.com.

Thank You, Cynthia Bitel
