Message from the Desk of Rick Schlager

Forest Lake Estates Homeowners' Association (FLE HOA) President

I hope everyone is enjoying their winter at FLE. The weather has been a little spotty at times, but it looks like we are now having a pattern of consistent sun and warmer weather. The way life should be! Our annual HOA general meeting was held on Feb 14th. We had a great showing of over 200 HOA Member families.

Vince Boido presented Jim Dill with a plaque for his service and direction during his tenure as President of the FLE Home Owner's Association. Jim also said a few words and received a standing ovation. Congratulations Jim and enjoy your retirement.

Steve Bagiardi gave his update from ELS on community issues. He announced that he has been promoted to Regional Manager of Florida Southwest area. His territory will be Sarasota on south. We wish Steve the best of luck in his new position. The transition should take 4 to 6 weeks. Our regional manager Sydney Morris is in the process of hiring a new manager for FLE.

I introduced the two new board members: Vic Bitel and Mike Reid. Please give them a warm welcome. I am sure both will work very well with the current members of the board. I was very pleased to see the 3 incumbents voted in as well: Trudy Ansel (Treasurer), Wendy Coache (Secretary) and Mark Matthews (Director).

At the annual HOA Meeting we reviewed and approved two key items:

We presented the 2019 budget for general operations and social activities. After discussion of the budget, the general membership unanimously approved the budget.

Per our bylaws, Jackie Black, Brad Dore and Julie Fisher conducted a detailed audit of the HOA 2018 books. The audit team reviewed receipts, disbursements, and bank accounts for the General Fund and the Social Fund. Their review showed that all the documents reflected an accurate

account of both FLE HOA accounts for 2018. The Audit Team recommended including the two cash boxes used for ticket sales be included in the audit. The general membership voted unanimously to approve the audit.

We all received our rent increase letters from ELS at the end of January. Effective May 1, 2019, former shareholders rent will increase by 4% and former non-shareholders rent will increase by 5%. Those residents at "Market Value" have also been increased by 5%. This year Pasco County broke out the taxes into

Message from Vince Boido

Happenings Editor and FLE HOA Vice President

Somebody once said “Rules were made to be broken.” Well right now, we have two controversial issues in the park—dogs and speeding and it seems these rules have been broken.

There has been a lot of discussion and we’ve brought the concerns to ELS. It is not the responsibility of the HOA Board to police this park. We do not decide who passes background checks and we do not decide whose dog is a comfort dog or not (as opposed to Service Dogs). The park rules state that a resident cannot have more than 2 **pets** whose **combined** weight cannot exceed 40 lbs. and certain aggressive breeds are not allowed at all. I personally don’t have a solution for this. If you think you have a solution, please contact me. Most of us have cell phones with a camera. If you see a situation where someone is breaking the rules, take a picture and send it to the office. If you feel you have a legitimate concern, please fill out a concern form and bring it to the office. When you do so, make sure it gets signed by office personnel and you get a copy for yourself.

Regarding speeding and running stop signs, we don’t want the Pasco County Sheriffs patrolling our park. ELS has stated this will happen if the traffic violations don’t improve. A lot of complaints are coming from dog walkers because their dogs are not on short leashes and there is a danger they will run out onto the streets. Please keep your dogs under control when you are walking them. Bikers and golf carts also must follow the rules of the road.

Please just pay attention to all the rules (and there aren’t that many). Obey the 15 mph speed limit...the next time you’re driving through the park, look down at your speedometer and see how fast you are going. And when you approach a Stop Sign, please stop. If you have an illegal dog, I suggest you find another home for it or keep it in the house so you are not infringing on others.

Message from Carolyn Keithley

Social Director

I can't believe that it's already March and our season is coming to an end. It has been a very busy season and our events have been extremely successful. March is still packed full of things to do, so please be sure to check the calendar.

Our Annual Patio Party is March 24th, hope everyone joins us for a great afternoon. I want to take this opportunity to recognize a few people who work extremely hard during our season.

Nancy Matthews and her bingo workers do an excellent job every week. The callers are doing great, and we are glad to see some new faces coming forward for training. Attendance has been in the upper 170's and everyone seems to be having a great time.

Karen Brown and the Bingo Kitchen team, WOW! Choices are great, food is fantastic and the team is wonderful to work with. To Julie Glenna and her team of ticket sellers, thank you. You do a wonderful job.

I want to recognize one more individual, that would be our kitchen manager Sandy Claiborne. Sandy is a hardworking individual who makes sure that all our needs in the kitchen are met. She makes the job easier for anyone who works in the kitchen.

To everyone who has volunteered in any way this season, thank-you for your help and support. We will still be having a few events in the month of April and are already planning for summer. I am also beginning to plan the Dinner Dance calendar for next season. Please give me a call and with the date you would like to schedule your dinner. If we can get ahead of the eight ball, then we will not be scrambling to find dinner teams.

Lending for Little Ones

They are the best of us! They are our grandchildren and great-grandchildren. We are so blessed when these wonderful little ones come visit us.

Lending for Little Ones. We are still here. People lending items to each other when little ones arrive. We currently have people who have signed up with a variety of items available to lend to people who have little ones visiting. We have such things as pack & play porta beds, strollers, high chairs, car seats, water flotation items for babies, water wings, bicycles and more.

With this program, Park Residents lend their own items to each other when little ones arrive for a visit. Even though we have a variety of items, we still need more volunteers who are willing to lend items to others. Especially during the busy prime visiting time. If you are one of these people, willing to lend items for our Little Ones, please contact me and I'll add you to our list.

Or, if you are someone who has a little one arriving and need to borrow something, contact me and we'll try to set you up with the needs you have.

We will have the information about what is available posted on the bulletin board at the clubhouse. Those interested, please contact me at 248-459-7187 or at my email address bitel1976@gmail.com.

Thank You,
Cynthia Bitel

Dick Mahan

As expressed in this column so many times before, each month I ask to be invited into a park resident's home to invade his/her privacy with informed consent and share my findings with each of you. And each month I am taken aback to learn more and more about the diversity of the individuals with whom I speak.

This month's Resident of the Month for March proved to be no exception. I've known both Dick and Mary Mahon for a while now... as residents in our park, but had never taken the time to get to know either of them on a personal note. Turns out... while the chosen Resident of the Month is generally one individual, it seems a spouse or significant other has played a large part in each one's life. And again, as I came to interview Dick, I quickly learned that he and Mary are no exception there either as Mary has profoundly impacted Dick's life since the day he first laid eyes on her in high school. As he says, "it was love at first sight!"

Dick was born in Watertown NY on 2/13/1942 and graduated from Watertown High School in 1961. He was the typical high school "jock"... an active participant in most school sports, but favoring Basketball, LaCrosse, and Baseball. In 1958-59 he was All American Player of Jefferson County and participated on a local traveling baseball league. He met Mary, his wife and the love of his life while out cruising with a friend when they spotted Mary and a friend on the tennis court. Without hesitation, they stopped the car, interrupting their game with flirtatious conversation and invited the girls to join them for a ride. The girls accepted and the rest is history. Dick claims he was an athlete with no thoughts of "girls" until then... but Mary changed all that. Dick says he was shy and just couldn't make that first move on his girl so Mary took the initiative and snuggled close, kissing him first! That was it! Hook, line, and sinker, he took the bait and they've been together ever since! In June they will have been married 57 years! Together, they have 3 children, Laura Mahon Tinsman, who lives here in FLE with her husband Jeff, Todd who lives in nearby Clearwater, and sadly their son Richard who passed away at the age of 49 after succumbing to Leukemia in 2012. Mary and Dick have 3

grandchildren and 1 great-grandchild whose ages range from 8 to 31 years old.

After high school, Dick followed in his father's footsteps, at first learning as he worked with his father in the trucking industry.

But before long, Dick left his dad's company and went out on

his own, becoming Owner & Operator in his own trucking business. Even as Dick became a family man with all its obligations and a business owner with added responsibilities, he remained as active in local sports as time would allow. Other interests have included music... song and dance and enjoyed time on the dance floor with Mary dancing the jitterbug, rock and roll, the twist and of course the waltz.

But Baseball has remained his 1st love in sport. At his present age of 77 years, he is an active member of the Men's Senior Softball Association and as recently as Feb 5-7, 2019, Dick participated in the International Senior Softball Association (ISSA) Tournament of Champions in Plant City and earned the beautifully engraved and bejeweled ring proudly displayed in the adjacent photo.

The ISSA is dedicated to informing and uniting the Senior Softball Players of America and the World and sanctions tournaments and championships, registering players, writing the rulebook, publishing the Senior Softball-USA News and hosting international softball tours while promoting Senior Softball throughout the world. "Dick would like to invite any interested senior to join the fun with the Florida Half Century Lakeland Senior Softball league for twice weekly, year-round play.

League dues are \$40.00 annually and comes with 2 league shirts and a league baseball cap." Even at age 77, Dick still plays softball as many as 2-3 times weekly. So... as Dick says... "Let's play ball

Congratulations Glenda Brake!

I have written about the incredible recreational shuffleboard facility in Forest Lake Estates, but did you know that we have residents who have chosen to play shuffleboard **professionally**?

I am excited to tell you about some of the amazing accomplishments of our own, professional shuffleboard enthusiast, **Glenda Brake**.

Many of us know Glenda from her involvement in activities like, tap dancing, line dancing/exercise, and putt putt, admiring her boundless energy and pleasant personality. Glenda's wonderful and supportive husband of 43 years, Clar, provided me with a website link, namely **theshuffler.net**, where one can search for Glenda Brake, and see articles from as recently as January 2019, entitled, "GLENDA BRAKE GETS HER NATIONAL PIN", "GLENDA BRAKE INTO THE FSA HALL OF FAME" and more. The Florida Shuffleboard Association's website is filled with information and photos for anyone interested in learning more about professional shuffleboard, particularly here in Florida. Glenda and other professionals play out of the Zephyrhills Shuffleboard Club on 8th Avenue in downtown Zephyrhills. Their local website is <http://zephyrhillsshuffleboard.com>.

When I interviewed Glenda, and asked how she made the leap from recreational shuffler to professional, she was quick to credit the encouragement and support of some other professional shuffleboard players from FLE. She had high praise for **Henry Strong**, as well as, **Glenna and David**

Earle. Going to the website **theshuffler.net** allowed me to search and find the numerous accolades these residents have also received.

When I asked Glenda what was most challenging about professional shuffleboard, she indicated that it was the "strategy" required. As Glenda described her schedule, I remarked on how strong and focused she had to be. Glenda began playing shuffleboard when she and Clar retired, and began spending winters in Florida. During those years, Glenda tapped into her competitive drive, and honed her shuffleboard skills. She often travels to tournaments, and certainly dedicates much time and energy to this sport. Glenda talked of the friendships formed within this close knit community, and how welcoming American players have been to her as a Canadian from Paradise, Newfoundland. Often her partners in tournaments are from various areas of the U.S.A. From what Glenda has witnessed, it would seem the professional shuffleboard community is respectful of talent, eager to applaud each other, and welcoming to all.

Art in the Park

Wow! It's almost March as I write this note. It's always amazing to me how time just slips by and before I know it, tomorrow is already here! As I write this, many of our northern friends are already preparing for their journey north as snowbirds, and many have sold their homes and preparing for new adventures elsewhere or just going "home". They will be missed. But as we all move forward, there is much to look forward to. March will bring many more social activities here at FLE and I'll let Mike Reid, our FLE HOA Social Director go on about that... but we've been very busy with our Art in the Park

activities this season and as we complete our 3rd and final paintings for the 2019 season, I cannot express how proud I am of these artists. Our 1st watercolor project was ambitious, more so than I'd envisioned as their instructor, but as the photo shows, each artist created a beautiful scene of a boat dock in the sunset. As I write this, our 2nd watercolor choice, the beautiful pink flower, is in it's 2nd week and will be completed in time to allow us to paint a 3rd watercolor picture. The 3rd and final picture for the 2019 watercolor season is yet another sunset but this time hosting our sandhill crane at the waterfront. All were beautiful pictures and their efforts will be well represented as they proudly hang them on their walls or present them as gifts for family or friends. And maybe, and hopefully, we'll have one or two on our table for your viewing pleasure at our FLE ARTS Festival on March 10th. Mark your calendars now for that date. It's certain to be one of the highlights of our year with so many fantastic displays of artistic creation from our watercolor and acrylic artists, to our wood workers, quilters, needlepoint and seamstresses, photographers and let's not forget our group of musical talents and the theatrics participants too. If I've not mentioned another talent that might like to be recognized for this event, please accept my apology and give me a call at 813-862-5013. We look forward to sharing our talents with each of you and definitely want to show the diversity of talent that this park, FLE, hosts with such pride. Until then, enjoy your passions in whatever form your art might take and I look forward to seeing so many of your in the days and weeks ahead.

ShuffleBoard Report

January and February have been very busy months for the FLE SHuffleboard Club. Many of the players continue to participate in the area tournaments, as well as our own District Tournament held on February 7th and 8th.

Congratulations to the following players on their success at our tournament: In the **Main** - 1st place Wilfred Buckle; 3rd place - Davis Bryans and Barry Cooper. In the **Consolation** -1st place Gary McLean; 3rd place - Willy Vanderwielen and Roland Clark; 4th place - Tim Kennedy.

Thank you to the many volunteers who came out to help make our District Event a great event. We hope to be able to report good results for our 8 Park Tournament from February 25/26th.

Shuffling continues in the park every morning at 9:30, (except Sunday) , and 8 Park League on Wednesday afternoons at 1. Mark your calendars for Fun Day, Thursday, March 7th, to be followed by a Pot Luck Lunch on the Patio (or indoors if it is raining). There will be a sign up sheet at the courts for Fun Day. Everyone is invited to come out and join in the fun.

Painting with Judy

As this goes to print, I am remiss that I did not enter anything in the FLE Happenings for February's edition. And I definitely don't want to let any more time pass without recognizing the artistic talents we host in this park. It is truly a blessing to work with each of these artists who join our Paint with Judy and our Art in the Park classes each month. In March, as you receive this newsletter, our class project for February will have been the flamingo highlighting her beautiful pink and coral feathers on a brilliant blue background. For our March project, I've chosen a beautiful white rose with 2 rosebuds on a dark background, artist's color of choice. It's always the highlight of my month as I work with each talented and aspiring artist. And I truly thank each one for allowing me the time to share in your artistic creations. And to that note, I'd like to remind each artist and all FLE residents of our upcoming Arts Festival and Variety of Talents Show here at FLE on March 10th where we will be displaying many of our works of art for your viewing pleasure, some of which will be available for sale. Many other artists will be displaying their works of art, including the woodworkers, quilters, needlecrafters, and photographers. And let us not forget our musical and theatrical talents who will be entertaining us as well. Looking forward to seeing each of you at this venue and around the park as we enjoy and display our many artistic talents.

Euchre Night

"Euchre night on Wednesday evenings is so much more than just a card game. For some it's a memory skill game involving concentration (which I admit I sometimes lack) and various strategies to euchre your opponent (yes sometimes Lady Luck takes a night off too) but I think I speak for many when I say it's an evening of laughs, fun and great friendships even when the cards just don't cooperate. Win or lose, it's a fun evening well spent. "

A TIP OF THE HAT”

Lenore Bray

Although the custom of “tipping ones hat” is a more old fashioned sign of respect and gratitude, it is the expression that came to mind in regard to the efforts volunteers make each day, through the many HOA sponsored activities, to help us enjoy a happy and healthy lifestyle.

We all know the value of being thankful. The only concern I have is the possibility of forgetting someone. My first thought was to try to write about ALL the leaders of ALL the activities, but I quickly realized that my enthusiasm was getting ahead of me. I know that participants in various activities often thank and support their leaders in other ways, and might even choose to submit their own articles and pictures. That would be great!

Mary and Davis

At this time, I would like to acknowledge and give a, “TIP OF THE HAT”, to the leaders and volunteers of Forest Lake Estates’ SHUFFLEBOARD ACTIVITY.

Over the years there have been many people who have helped to make shuffleboard popular and accessible in FLE. For well over a decade, one such person,

Ray Dion, has led volunteers, and spent countless hours maintaining the shuffleboard courts and equipment. In speaking to Ray, I could tell how important he felt the on-going maintenance of the court surface and overhead structure, through painting and even resurfacing, are. Ray continues to volunteer, despite his and wife Phyllis’ health issues. I could sense in Ray’s eyes and voice, his sincere wish that others will continue to value and promote this activity’s importance, as he has.

Ray Dion

I believe that Ray Dion can take comfort as the newer team of leaders, Joanne and Gary McLean, and Mary and Davis Bryans, are eager to continue promoting the high standards already set. They will provide a strong voice, action and advice to maintain and improve this exceptional park facility. Together with FLE management and staff, Joanne, Gary, Mary, Davis, and all their helpers, have continued to ensure that all community members are provided with an excellent shuffleboard schedule, equipment, and area to use, and even share with visiting family and friends.

From Monday to Saturday a variety of versions of shuffleboard are organized, that are designed to appeal to ones need for socializing, and learning the skills and strategies of the shuffleboard game. When I first came to Forest Lake Estates, the shuffleboard group was so welcoming and inclusive. I know they continue to be this way, and highly recommend trying this wonderful activity.

Joanne and Gary

Many of us have enjoyed the special custom of waving as we pass others in the park, and might even smile at the thought of how that gesture made one feel valued. I hope that this article, “A TIP OF THE HAT”, will also evoke a feeling of being valued and appreciated, for the Shuffleboard Activity leaders and volunteers, as well as, all those trying to make daily life here in Forest Lake Estates the very best.

FOREST LAKE QUILTING

Our quilting group is busy stitching each Wednesday, from 11am until 3 pm.

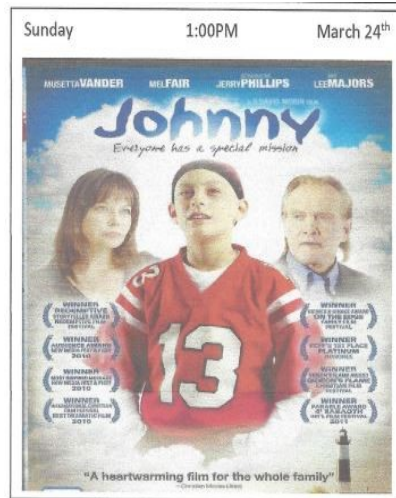

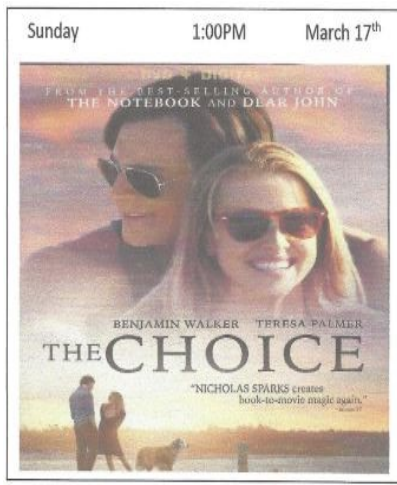

We welcome new and experienced quilters! Visitors are always welcome to drop in! We work on our own projects, and we are working on two mystery quilt projects this year. You can learn new techniques, get help and advice for your quilting, and meet other quilters in our community. We bring a snack or lunch, as we usually take a short break around noon. This is also a great time to share information on upcoming quilt shows, shop hops, and sales specials at our local quilt shops.

For more information, call Susan Torrens 813-783-8468 or email forestlakequilting@gmail.com

HOW TO USE EXERCISE EQUIPMENT PROPERLY AND SAFELY

While exercise is emphasized for good health and overall wellness, using exercise equipment improperly can result in all kinds of injuries from sprained ankles and torn ligaments to broken bones that require surgery. While you may be zealous about starting 2019 off with a new exercise routine or just doing more of what you love, get some great tips from an expert first. You'll enjoy listening to AdventHealth Wellness Director Casio Jones as he shares how to use exercise equipment correctly and with caution, especially if you haven't been working out lately. Casio will answer your questions, too.

All Forest Lakes residents and friends are invited.
