Message from the Desk of Mike Black

Forest Lake Estates Homeowners' Association (FLE HOA) President

Hello Forest Lake community.

This will be my last communication as President of the HOA. I would like to say thank you to the members of this community who have been so supportive of your HOA and who have worked with us to make great things happen in our enjoyable park.

I hope, that for the most part, we were able to take care of the things that you felt needed to be taken care of. While we all hoped that we would be able to take care of everything, as we know in life, we don't always get everything that we wish for and sometimes we all are disappointed.

I will tell you that, regardless of what is said by others, this board gave you their all, working on the behalf of this community, each and every day. I would like to say thank you to the members of the board, I appreciate you all. We remain members of this community and will still be here for the residents for anything that you need.

On another note, the new office is open and functioning. The fitness center area is quite impressive, has some good equipment and is available to all residents. Don't forget to get your access code and we hope lots of people get an opportunity to use the new facilities.

I would like to say goodbye and I enjoyed working with you all. Thank you and Happy New Year to you all.

Michael Black, FLE HOA President

Meet the Candidates

Beverly Brule

My name is Beverly Brule and I would like to share with you some things about me:

I moved to Zephyrhills in 1996 from a small town just south of Albany, NY. I am a mother and grandmother. In 2001, I became a widow. I met Bill in 2003 and we married in 2004. We resided here until 2011, moved to Charlotte, NC for a year, then Dallas, TX for 9 years. I told Bill when I retire, I wanted to move back to Zephyrhills. So, in 2020, we moved back and here we are enjoying the retired life!

I am a retired Registered Nurse and have two college degrees, nursing and human services. I worked multiple nursing fields, but my two favorites were Dialysis and Hospice Care. I became an Executive Director for a hospice and grew it into two productive offices with approximately 80 employees. One of my strongest fortes is building a team.

I love our community; I love our residents; and I am involved in multiple activities which our Forest Lake Community offers.

If you want someone on the HOA Board who is compassionate and truly cares about our residents and out community, then please vote for me.

Bob Burke

My name is Bob Burke.

I moved to Forest Lake Estates in 2021. I have volunteered for numerous events since moving here.

From 1978 - 1986 I worked for the Essex County Sheriff's Department with the rank of Captain when I left.

After leaving the Sheriff's Department, I became a police officer for the Salem, MA Police Department. I served from 1986 until my retirement in 2013.

I was also in the Board of Directors for Essex County. Some of my other achievements have been Vice President of my policy academy class and Vice President of a social club called the Ward Two Social Club.

I hope you will consider me for a position on the FLE HOA Board of Directors.

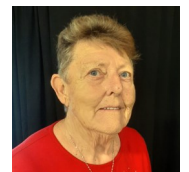

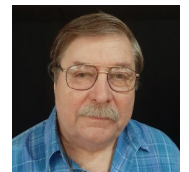

Janice Collins

I am Janice Collins I am running for my second term on the HOA Board of Directors.

I moved to Forest Lake Estates from Alaska in 2008 to care for my mother.

I reside at 6346 Sporing Lake Circle. I enjoy living here in FLE.

I started doing membership for the Forest Lake Non-Shareholders (FLENS) in 2014 which was 529 homes and when the Park was sold to ELS I gained the additional 329 homes to add to the membership

(continued on page 6)

(continued from page 5)

for the entire park until 2021.

I have volunteered for many events and activities in the park and I am usually available whenever I am needed to help out.

I currently serve as the recycling director. Currently we can only do paper and cardboard.

My door is always open to any residents that need to speak to me.

My commitment is to the residents of this Park. I would appreciate your support when the election is held on January 10, 2024.

Denis Denommee

My name is Denis Denommee my wife Donna and I bought our home here in the FLE community in January 2020. We came right as the Pandemic hit and our first winter was different but wonderful in that we met and made many new friends. In 2022 we became full time residents and we have never looked back. We love the community, and we were inspired by the wonderful fun-loving residents. The diversity, international flare, just suited us.

We got involved with recycling, party planning, volunteering wherever we could, be it; Fish Dinners of Collection for Veterans Services.

In March I was honored to be appointed by the current Board, as Social Chair for the HOA. It has been a fun, busy trip, organizing dinners, dances, unique events, anything to keep the party fresh and exciting for all of us. I think the current Board for their confidence, direction, and patience during my rookie year.

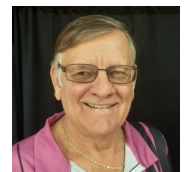

In April 1012, I accepted an appointment from the FMO Association to be Park Representative for the Florida Manufactured Home Association.

I have 40 years business experience, HR expertise, business acquisition experience and currently function as a business consultant. I am a Florida Notary among other things too boring to mention.

My decision to run for the Board was to provide fresh ideas, encourage stability, strong grassroots communication, professionalism and create trust in a process to make things better. I love TEAMWORK and enjoy the comradery that volunteering always gives as a reward.

Jim Dill

My name is Jim Dill and I'm excited to announce my candidacy for a position on the FLE HOA Board of Directors. I'm looking forward to working harmoniously with the other board members and volunteers as well as the management team to continuously make FLE HOA a great place to live in.

For those of you who don't know me, I have lived in Forest Lake Estates for 14 years and have thoroughly enjoyed my time here. I have three sons, 11 grandkids and 2 great grandkids. Two of my

(continued on page 7)

Meet the Candidates

(continued from page 6)

sons live in Colorado Springs and the other lives in the United Kingdom. In my spare time, I love to golf, bowl and do small jobs around the park.

I believe HOA board members must know how to plan and understand the budget, manage the association's finances, deal with the disputes, discuss and carry out ideas, and listen to the membership.

I believe my background in the Air Force for 30 years and working for Lockheed Martin for 12 years makes me a good candidate for the job. I also served as the President of the FLE Non-shareholders (FLENS) from 2011 - 2016 and President of the FLE HOA from 2016 - 2019. Therefore, I know what this job entails and believe I have the necessary experience to do it well. I am also very enthusiastic and will give my all to every job that I am given.

These are my goals for the community: 1) Continue the outstanding communications between the Board and the HOA members; 2) Increase the current HOA membership; 3) Continue communications between HOA and ELS; 4) Increase the number of volunteers required to assist with the many events and activities the HOA offers; and 5) Manage HOA funds to ensure HOA-sponsored activities and events are offered to suit the community needs and desires.

Thank you for your time and I hope you all support my candidacy to be on the FLE HOA Board of directors.

Arthur B. Hayden

My name is Art Hayden. I am a full time FLE resident and have been for approximately four years.

I am a strong believer in volunteer leadership methods and fully support the HOA process here at FLE. I believe I have the focus, leadership skills and commitment to take on the responsibilities of this leadership position. Most recently, I have been functioning as an HOA director, following appointment by your Board three months ago to fulfill function of a departing member.

I have significant prior experience in leadership positions in a variety of volunteer organizations ranging from Service Clubs, Religious Operations and HOA groups.

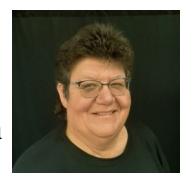

I would appreciate an opportunity to continue in this role as your duly elected board representative.

I promise to deliver the results the membership expects and deserves. Please support my candidacy by voting for me at the January 2024 election.

Remember: For a new start, vote for Art.....

Sharon Hempel

I'm Sharon Hempel. In August of 2021 we purchased a home on Bream Circle. I have been volunteering for different activities in the park. I continue to work in the kitchen on Bingo nights. I have recently been appointed as a kitchen manager along with Lorri Jackson.

(continued on page 8)

Meet the Candidates

(continued from page 7)

I have 25 years experience of restaurant management. I also have 20 years of office medical management.

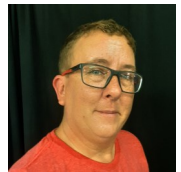

From 1998 - 2006, I served on the board for Michigan Concerns of Police Survivors (MI-COPS), as a Board Trustee. MI-COPS is a local chapter off of National COPS. We helped families of fallen police officers killed in the line of duty. I have ran numerous fundraisers, which raised thousands of dollars for the organization.

From 2006 - 2009, I held the position of Vice-President for an organization called Living Legends, Law Enforcement Heroes. We have helped law enforcement offices, (active, retired, disabled) and their immediate families, who suffer from hardship.

I hope you consider me to become part of the HOA Board.

Lorri Jackson

I'm Lorri Jackson. I moved to Florida a little over three years ago. I was a snowbird for one season then moved here full time in July of 2022. The short time I've been here I have volunteered in the kitchen, I am Co-Kitchen manager with Sharon Hempel. I have brought in Community Markets & Events, Food Trucks, new activities and brought some old activities back to life. I believe with the passion that I have for this community and the people who reside in it, I will be a good addition to the HOA Board.

Melody Merola

I came to FLE 5 years ago retiring as a criminal defense attorney with a specialty in mental illness. In that role, I have tried 125 jury trials, advocated for several thousand children and adults in mental health courts, defended adult in thousand of miscellaneous matters, supervised and trained attorneys, secretaries and investigators.

Today, I spend my time gardening, reading and tending to my two extraordinarily spoiled dogs.

I'm divorced with no children, but raised my 5 siblings.

In my opinion, when I look around and listen, I conclude many situations could be avoided or resolved by transparency when applied to process and procedure.

Individuals can come to different conclusions based on lived experience. But everyone need to start with the same basic data. For example: Is the proverbial glass 1/2 full or 1/2 empty? Either view is valid, but the basic data must be agreed: there is a glass and there is liquid in the glass.

I hope to assist this community going forward with finding common ground based on process and procedure in a transparent way.

Ken Wellhausen

My name is Ken Wellhausen. I am a full time FLE resident and have been for approximately six years.

I am a strong believer in the volunteer leadership method used by FLE HOA and fully support the HOA here. I believe I have the focus, leadership skills and experience to take on the responsibilities of this leadership role.

I have significant prior experience operating commercial businesses as well as leadership positions in a variety of volunteer organizations.

I would appreciate an opportunity to serve on this HOA and deliver the results the membership expects and deserves. Please support my candidacy by voting for me at the January election.

1. Putt-Putt is each Wednesday; each team must pay \$2 toward skins when they check in at the scorer table. Teams will be given scorecards and assigned their opponents. HCP's are established after two weeks of recorded play.
2. After playing 18 holes, teams will submit their scorecard at the scorer table, with legible gross scores per hole.
3. Always double check the scorecard as missing or illegible hole scores will then be recorded as a 6.
4. If there is a weather-related cancellation, play is cancelled for that week. There are no rain dates. For that reason, pre-plays recorded for that week will not count, and will not count towards the three MAX limit.
5. **Makeups & Pre-Play Days are: TUESDAYS completed between 10:00 – 11:00 A.M. or THURSDAY completed between 3:00 – 4:00 P.M.** Makeups & pre-plays are limited to three MAXIMUM (total) per team for the entire season.

7. Teams with more than three absences will not be eligible for **Weekly \$5 Competitions** & Putt Putt Invitational.
8. **Weekly \$5 Competitions:** SKINS / Low Gross / Low Net. Teams must be **completely current** in order to be eligible to participate in this weekly competition. **NEW FOR 2024:** We **will** have carryover SKINS \$5 this year from week to week.

2. PLAY PROCEDURES

1. On ODD numbered weeks, the designated player #1 will putt all ODD holes first.
2. On EVEN numbered weeks, the designated player #2 will putt all ODD holes first.
3. Replay the hole if a player plays out of turn, and it is recognized before group leaves the hole.
4. If more than two holes are played out of turn, the entire match must be replayed.

3. BASIC RULES OF PLAY

1. Tee area for each hole is located **behind** the first set of bricks, not inside the bricks.
2. Maximum number of strokes to be scored per hole is 6. Max number of strokes posted per team, per round is 54.
3. If the ball is within the course, and rests **near** a sidewalk, rock, brick, or item on the course which hinders your backswing, you may place the ball six inches from the obstacle **without penalty**. You may not place the ball any closer to the hole. As a guideline, six inches (6") is about the length of any US paper currency.
4. If a putt is hit off the course, it is a **one stroke penalty**. To proceed; place the ball where it left the course, but no closer to the hole. Your partner hits the next shot, which for scoring now counts as Shot #3.
5. If a putt is hit into and then comes to rest within the white stones (Holes #2, #11, & #13), return the ball to the tee. It is a **one stroke penalty**. Your partner hits the next shot (3rd shot) from the tee area (**behind the first set of bricks**.)
6. Ball stuck under the bridge on hole #14; pick up and place the ball on the designated "X". **No stroke penalty**.
7. Accidental tapping of the ball on the course counts as one stroke **unless** placed back to original position.
