Message from the Desk of Jim Dill

Forest Lake Estates Homeowners' Association (FLE HOA) President

More and more family and friends are coming back day by day. It is great to see you all coming back. The Park is looking absolutely beautiful and Steve and his maintenance team, along with many FLE volunteers, have worked hard over the summer to keep it looking so well. We had a very good first General Membership Meeting in October with almost 220 residents attending.

Here are the highlights of the October General Meeting:

- ◇ Steve welcomed everyone back and gave an update on some of the challenges he and his team have faced this summer. He talked about lawn mowing over the summer and there are no easy solutions, especially with all the rain we had this summer. By mid-September the lawn crews were back to mowing all areas with very little clumping of grass. He also talked about the 360° inspections. We need to do a better job of keeping our home and yards clean all year round. Steve will conduct another 360° inspection in the January/February time frame.
- ◇ We had a wonderful summer with lots of functions and activities. I want to thank all who volunteered their time and efforts to make it so successful. Also, Cindy Bitel, along with Christine Boido and Paulette Smith, did a wonderful job getting our Welcome Package out to 26 new residents this summer. Cindy has put together a great package for all our new residents. Thanks to Cindy and her team for a great job.
- ◇ Memorial Park is looking so beautiful. Mark Matthews put together several teams over the summer who are responsible for maintaining a portion of the park. And they are doing a superb job. If you are interested in helping out to maintain our Memorial Park, please contact Mark Matthews directly. We will be replacing all the flags in time for our Veterans' Day Ceremony. The HOA Board also approved a \$1,000 budget line item to maintain the park. Over the summer we had to buy new plants and mulch.
- ◇ Jerry Wilson is responsible for our residents' blocks. If you would like to purchase one, please call Jerry directly. The small block is \$50 and the large block is \$75. We also have the Veteran's plaques. Each plaque is \$100 and you can contact me directly to purchase one. As Jerry stated so succinctly..." you do not need to be dead to purchase a block or plaque."

Message from Steven Bagiardi Forest Lake Estates General Manager

I would like to say hello to all of my year-round folks who stick it out with me all summer long, welcome everybody who is coming back from up North, and welcome anybody who is new to the community. I cannot believe it is already November! Furthermore, I cannot believe ELS has owned and I have managed this community for just about 2 and a half years! I am so grateful for this community and all the amazing residents here. I guess the saying is true..."Time flies when you are having fun!"

I want to first start by saying how grateful and lucky we are to have been missed by Mr. Michael, the monster Hurricane in the Gulf a couple weeks back. Our thoughts and prayers go out to our FL family in the panhandle where they were really devastated. Unfortunately, those of us who spent some time here in Florida have seen many storms like that and it never gets any easier.

I spent a lot of time this summer out in the community working alongside my maintenance staff. We have had a few changes in staff and the guys certainly appreciate the additional hand. For those of you who have not met our newest addition to the maintenance staff, Caleb, please take the time to say hello. Caleb is an extremely friendly and hardworking individual who is an amazing asset to the FLE family. Your HOA board really cares about this community and has been working just as hard as well. I would like to specifically thank them for their diligence with regards to the Memorial Park! They have done an incredible job maintaining the entire grounds.

As many of you know, I have high hopes for this community and spend LOTS of my time here in order to keep this park as beautiful as it is. My staff and I have worked diligently to accomplish some projects around the community in order to make the community as a whole, much more attractive.

Some of the items that kept us busy this summer include:

- 360 Degree Inspections

- Refreshed Putt Putt Course! New rocks and flags!

- Adding fresh mulch and landscaping throughout the community

- Speed limit signs! Adding New and more! Now let's use them!

- Stop Signs! We have refreshed some stop signs as well as the poles, and even added a few new ones! Look out for them and use them!

- Outdoor Fitness Center Shade Structure! (Man is it gorgeous!)

- Working extremely closely with the HOA and other groups to make FLE better! We are going to have some incredible events this season!!!

Now for the fun part where I explain some important items and ask for compliance:

Propane: Drop tank at RV office before 11am, pick up after 4pm...If after 11am pick up next business day. Must pre pay inside RV office before tank will be filled. Can Not fill tanks older than 12 years old unless they have been recertified and tagged

Rates are as follows:

- 20 LB Tank \$15.00

- 30 LB Tank \$20

- 40 LB Tank \$30

- Price per Gallon \$3.00

Message from Vince Boido

Happenings Editor and FLE HOA Vice President

Welcome back! I'm looking forward to a very busy new season at Forest Lake Estates. We have quite a few new residents who we would like to encourage to participate in the many events we have to offer.

Last week I was contacted by Kay Johnson who suggested we take up a collection for the victims of Hurricane Michael. Cash and checks made out to the Red Cross will be accepted through November 15th on Monday and Tuesday mornings from 10 am—noon at the Clubhouse and during Monday night sandwiches and Bingo on Tuesdays. ELS is making a generous donation as well.

On October 31st from 1-3pm, ELS and the Party Hardy Putt Putt League are hosting a Pumpkin Carving Event at the Club House. ELS is supplying the pumpkins and carving tools. Snacks will be served and prizes will be awarded. Please come and support the carvers. If you would like to participate, contact Mike Reed at 413-824-5274 as soon as possible. During this time, there will also be a Halloween costume contest with prizes. I will be available to receive your Putt Putt applications and membership fees (application below.)

If you would like to submit an article, announcement or event to the Newsletter, the deadline is the 15th of the month. Please email to flehoanewsletter@gmail.com. Please do not submit PDF documents.

From the desk of Carolyn Keithley

FLE HOA Social Director

Welcome back to all of our residents who have been away for the summer. Our new season is upon us and activities are off to a fantastic start. Our first Dinner Dance was scheduled for October 27th to kick off our season, We still have MANY Saturdays that we do not have a team to prepare dinner. We are encouraging all activities to come forward and lead a dinner. If you are new to the kitchen or have questions, we have a whole training program with instructions and pictures to help you as well as individuals who will assist you and your team the first time around. We all need to pull together to make our dinners a success for everyone. All the bands are booked and ready to go, so just contact me and we will figure it out. Our kitchen manager Sandy Claiborne will assist you with ordering what you need and we don't need to reinvent the wheel. There are many restaurant entrees that we can get from Gordon Food Service and Sysco that will simplify the whole process. Watch for some new and exciting menus and events.

Ticket sales for dinner dances and dinners will be 2 weeks prior to each event on Monday and Tuesdays 10am - 12noon at the clubhouse." Thanksgiving Dinner tickets for Thursday November 22nd 5pm will go on sale on sale 11/5, 6, 12, 13. Tickets are \$5 per person and will be on a first come basis.

Lending for Little Ones

They are the best of us! They are our grandchildren and great-grandchildren. We are so blessed when these wonderful little ones come visit us.

Lending for Little Ones. We are still here. People lending items to each other when little ones arrive. We currently have people who have signed up with a variety of items available to lend to people who have little ones visiting. We have such things as pack & play porta beds, strollers, high chairs, car seats, water flotation items for babies, water wings, bicycles and more.

With this program, Park Residents lend their own items to each other when little ones arrive for a visit. Even though we have a variety of items, we still need more volunteers who are willing to lend items to others. Especially during the busy prime visiting time. If you are one of these people, willing to lend items for our Little Ones, please contact me and I'll add you to our list.

Or, if you are someone who has a little one arriving and need to borrow something, contact me and we'll try to set you up with the needs you have.

We will have the information about what is available posted on the bulletin board at the clubhouse.

Those interested, please contact me at 248-459-7187 or at my email address bitel1976@gmail.com.

Thank You,
Cynthia Bitel

- ◇ We are waiting on ELS to announce the 2019 Capital Expenditure projects. They should announce these around the first of January. Steve submitted two for us this year. The first is a new walk-in cooler and freezer in the kitchen. This will replace several freezers and cooler that are getting old and expensive to repair. It will also free up some badly needed space for storage. The second project is to replace all the poles and fencing for the tennis courts.
- ◇ The new canopy is now installed over the outdoor fitness area. It looks really nice. Also, we just completed the storage area behind the kitchen for the trash bins. These bins are for club house use only and not for residential use. Trash pick up will go to 4 days a week starting the first week of November.
- ◇ Steve announced that they are still planning on breaking ground for the new admin office, indoor fitness center, and 30+ new homes by the end of the year. He is still looking for options for the RV Storage area, but have not come up with any solutions at this time.
- ◇ We will be holding FLE HOA Election in January 2019. We have 4 positions open for election this year. Three will be for a 3-year term and one will be for a 2-year term. If you are interested in submitting your name for the election, please contact Nancy Matthews or any Board Member.
- ◇ We are working with a local vendor to install a new digital jukebox in the clubhouse. We will be able to use this for many activities and functions. We hope to get it installed within the next month or so.
- ◇ The new rules and regulations went into effect on October 17, 2018. However, we are still working with ELS on the right wording for alcohol consumption in the park. The way it is now written we will have to get permission every time we consume alcohol in any common area. I sent a letter to ELS higher management in mid-September asking them to consider new wording that the working team and ELS had previously approved. Will send out email as soon as we get the new alcohol wording. Finally, we will be conducting our annual Veterans' Day Ceremony in Memorial park on November 12th. Since the holiday comes on a Sunday, we will celebrate the same day that our country does. Please mark your calendars now. It will be a very nice ceremony.

All of our fall and winter activities will begin in late October and early November. Please look at your calendar for all upcoming events. Our Social Director and Activities Director are working very hard to make this a great year. We will also have a Thanksgiving Dinner. Bob and Carol Ann Branquet have graciously agreed to be the host again this year. All our Canadian friends put on the best ever Thanksgiving last year and this year will be just a spectacular. Also, I announced at the meeting that I will be stepping down as HOA President at the January meeting. It is time for others to take over for me. It has been fun and a lot of work. I will remain on the Board for one more year and help with the transition. Safe travels to all those heading south and let the fun begin!!!

Thanks

RENT: I would like to remind everyone that rent is due on the 1st of the month and LATE on the 5th of the month. Checks are made payable to Forest Lake Estates at 6429 Forest Lake Drive, Zephyrhills, FL 33540. Also, if mailing checks from out of state or out of country, PLEASE allow adequate time for the rent to be received here in the office. (We have found that it takes WEEKS to and from Canada) It will be counted as late and you will incur a \$25.00 late fee if it is not in this office by 5pm on the 5th of the month. Also, if you have any questions regarding site rent in general, please come to the office to get the best information.

TREES: I would like to remind everyone that if a Live Oak tree is touching the home as determined by Management, we will trim the Live Oak tree off of the home at our discretion. If the Live Oak tree is deemed dead, or dangerous, Management will remove the Live Oak tree. Residents are responsible for all other trees on their site and must maintain them at their expense. Most trees on a resident's site were there when you (the current resident) purchased the home, and you therefore adopted this tree and accepted the responsibility of maintaining it. If a resident wants to remove a tree on their site at their own expense, it must still be approved by Management and the County.

SIDEWALKS: Per the new rules and regulations, the repair of the sidewalks from natural damages such as tree roots, natural settling, etc will be the responsibility of the park. It will be YOUR RESPONSIBILITY as the homeowner to keep the sidewalk free of any debris and clutter, AS WELL AS CLEAN AND PRESSURE-WASHED! Please be sure to add "Pressure-washing the sidewalk" to the list when having someone pressure-wash or do any general maintenance to your home. This will lighten and freshen up the community greatly!

Please everyone; enjoy your time here as it really is a beautiful place!

Twila Viscosi

by Judy Thiese

Today, once again, I am feeling so grateful for the opportunity to write this column. Each month I have the pleasure of inviting myself into a neighbor's home and asking some sometimes very personal questions about their personal lives... who are they? What brought them to FLE? How long have they lived here? Where did they come from? How old are they and how many years married or how many children, grandchildren, etc. etc. etc. And it never fails to surprise and impress me how very interesting each one is and what stories each could tell.

Today I'd like to introduce someone whom many of you may know from our pool activities. Allow me to introduce Twila Viscosi, who lives at 6419 Utopia here in FLE. Twila and her husband John, moved here in 1992. They enjoyed life together here at FLE making new friends and participating in many of the ongoing activities. They learned of FLE from neighboring friends who wintered here in Zephyrhills at Country Aire Park. Forest Lake Estates at that time was called Frontier Estates, but was soon purchased by Henry Viau, Canadian who gave FLE its name and is responsible for the names on many of our streets, especially in the RV Park as he was an avid hockey fan. In 1996, they moved to Forest Lake Estates as full time residents.

Twila grew up and graduated high school at Oneida New York before going onto Oneonta University in NY to become a school teacher. But after only 2 years, she decided teaching was no longer her career goal and left college to go to work at the Bank. It was at that time that she met the love of her life and married John Viscosi. Together they had two sons, Michael, now age 60 and Robert, now age 58 who with their spouses have given them 10 children and fifteen grandchildren. John worked 31 years for New York State Department of Hygiene. Sadly he passed away in 2013, leaving behind his family and friends.

Twila has always had a love of the water and many of us know her best as the Water Aerobics Instructor here at FLE. She started going to the water aerobics classes when Emily Haynes was the Aerobics instructor in the small pool. Joan Korcek & Jill Walruth took over the aerobics, when Emily decided she could no longer do it. But when Jill moved away and Joan suffered with Cancer, it was time to find a new instructor. That's when Twila and Angie Buck decided to try their hand at instructing the water aerobics classes. Together they taught the classes each Monday, Wednesday, & Friday, weather permitting for the next four years before inviting Ruth Wagner to join them as co-instructor and has been with them now for the past five years. The three have remained friends and co-instructors now for over 9 years.

When Twila is not at the pool, enjoying our fabulous Florida weather, she enjoys dining out with friends and going to the Show Palace Dinner Theatre in Hudson, FL. Other interests include knitting and reading and enjoys listening to Gospel and Easy Listening music and going to the movies.

So as I close this introduction today, allow me to invite and encourage you to join Twila and the others each Monday, Wednesday, and Friday morning at 11:00 am for an hour of healthy exercise and fellowship and if you happen to see her at other activities and venues, feel free to take a moment to introduce yourself and say hello to another proud FLE resident!.

Art in the Park

As the summer months have come to a close and the fall/winter season now upon us, we welcome back our snowbirds and those who are new to our community. November brings the onset of a host of holidays, beginning with Veterans' Day on November 11th and moving quickly into Thanksgiving, Hanukkah, Christmas and the New Year. Thinking along those lines, I've chosen as our theme for November, the American flag, an artist's rendition, honoring those brave servicemen and women who gave and continue to give for this great country. Thank you.

Classes are held in the main dining room of our clubhouse on the 3rd Wednesday of each month from 1:00 – 4:00 pm. Cost is \$10.00 per person and all materials are provided. Reservations are required. Call Judy at 813-862-5013 to sign up today as class size is limited.

FLE Christmas Card Delivery

Christmas Delivery Elves will be busy delivering Christmas Cards from **December 5, 2018, until December 21, 2018.**

Those wanting to send Christmas Cards to their friends in our community should place them in the box on the table in the clubhouse. Sorting and delivery will be done by the Christmas Delivery Elves. Elves, please contact Pam (815-685-1510) or Dana at (815-735-3216) so we know who wants to continue as Christmas Delivery Elves.

It would be very helpful if every home has a designated basket or holder so the Elves can easily drop off the cards.

No stamps required, and please include a return address.
