“YOUR VOICE IN THE PARK”

Forest Lake Estates, Zephyrhills, Florida

November 2019

Oct 24, 2019

Message from the Desk of Rick Schlager

Forest Lake Estates Homeowners' Association (FLE HOA) President

A BIG welcome back to all the FLE snowbirds. It is that time of year when many of our Northern friends migrate to the warmth and pleasant weather of Florida. The month of October has been a busy time for the HOA board to start planning for the winter activities and for ELS to prepare the community property for the busy winter season. Trimming of trees, gardening and pressure washing are just a few of the tasks that Danny and Kaleb have been performing over the last few weeks.

We had our first General HOA meeting on Thursday October 10th. There were approximately 170 residents attended the meeting. Mike Black was introduced as a new board member and the board acknowledged and thanked Vic Bitel for his service and contributions to the board. Wendy has sent out the minutes to that meeting.

A number of things have been happening in the community.

1. The 2019 Capex project to replace the tennis court fence was completed during the summer.
2. Aerators in the lake are working well after maintenance of the compressors was completed by ELS.
3. The new gate system should be started soon. There will be two (2) entrance gates in the front of FLE and one (1) exit lane. One gate will be used exclusively for residents. It will have an activated arm that will rise and lower based on the vehicle length. No other vehicle will be able to follow behind a resident's entry into the park. The other gate will be used for visitors. The guard shack will be removed removed and paving will be done twice, once before the installation of the gates and again once the gates are in place . As we get more information, we will let everyone know.
4. Please be advised that there is a slight depression in the middle of the road on Viau Way. It is located between lots 693 and 696. Residents at those lots still have access to their homes and driveways. It has been cordoned off with tape and road barriers. This was the result of a broken storm drain. Please be patient as this could take quite a while to fix.
5. At our General meeting there were a number of complaints about the cleanliness of the big pool. I talked to Peggy on Friday and she had the staff work on the issues. The sides of the pool and the steps contained some light green algae in many places. Danny and Kaleb scrubbed the steps, scrubbed the inside walls and cleaned all the blue tiles that surround the pool. The quality of the water was not affected as Stewart makes sure it is well above the minimum standards of Pasco County. The staff will now scrub the pool Monday, Wednesday and Friday instead of the once per week scrubbing.

Announcements

Veterans Day 2019 November 11, 2019 at 11AM

11/11/11 – on the *Eleventh* hour, of the *Eleventh* day, of the *Eleventh* month we celebrate Veterans Day. We invite all residents to Memorial Park to help us say a big thank you to all our men and women who have served in the Army, Marines, Navy, Air Force, or Coast Guard, for our great military. A hero is a person facing extraordinary circumstance and acting with courage, honor, and self-sacrifice – this is so true of so many who serve but more so for our military brothers and sisters. We will have each member from their respective service raise their service flag while we play their service song. Our guest speaker this year will be our own USAF Colonel (Retired) Mike “Bodie” Bodenheimer. We ask that all please be in place by 10:45AM for we can begin on time. Immediately following the ceremony, we will have a spaghetti lunch for all...Veterans are free and \$5 for residents. This is a great place to come and say thank you to those who served!!

Forest Lake Estates Homeowners' Association (FLE HOA) President's Message

(continued from page 2)

If there should be issues in getting maintenance completed, we may have to schedule maintenance hours where the pool is shut down for scheduled cleaning. Currently we enjoy 14 hours per day and 7 days a week of the pool being open to residents.

We look forward to everyone returning to enjoy the benefits of FLE and Florida. We are mostly all retired and should enjoy a quiet and peaceful life in our GOLDEN YEARS. Please enjoy your friends and neighbors and be respectful of the many differences we each have in our personalities and our lives. Thanks

Rick Schlager—

Meetings, Membership and More

FOREST LAKE ESTATES HOME OWNERS' ASSOCIATION MEETING

The November meeting will be held on Thursday, November 14, 2019 at 10:00AM.

RECYCLING COMMITTEE MEETING

Wednesday, November 13th at 11AM, in the Clubhouse. Come and discuss future recycling options for our community. If you want more info, call Larry Shapiro at 607-346-0217

GREETINGS FROM THE MEMBERSHIP DESK

A new season is upon Forest Lake Estates and we welcome back all the "snowbirds".

The 2020 Membership Campaign will begin on November 4th. I would like to encourage everyone to fill out the Membership Form to get their 2020 Membership Card.

I will be at the Clubhouse on Mondays from 10 AM to 12 Noon for residents to come by and sign up. Other methods would be to fill out the form and mail it to my address listed at the bottom of the form. There will be a blue box on my front doorstep where you can drop off the form with your payment.

I encourage everyone to renew or get their membership before the end of December so you will not have an interruption of getting email notices and email or delivery of the newsletter.

Janice Collins

(application form on page 5)

Message from Social Director Carolyn Keithley

Welcome back friends. The season has started and this month many of our regular standing weekly activities will begin. Ticket sales for Saturday Night Dinner Dances started last month and will continue every Monday and Tuesday in the Clubhouse from 10am to 12 noon. The schedule for the month of November has been filled, but we still need our volunteers to contact me with their chosen date and menu for the upcoming dinners for the rest of the season. I know this always seems to be a part of my message, but we cannot make our activities happen without the assistance and support of our residents. I also want to mention the Thanksgiving Dinner. This is a highly attended event and there are some rules for the purchase of tickets that are a little different than for our regular Saturday night dinners. Ticket purchases will be limited to FLE RESIDENTS only. Tickets are not for anyone who does not reside in FLE. A resident can purchase eight (8) tickets and must have the name and lot number of the other residents they are purchasing for. We are doing our best to assure that everyone who wants to attend the Thanksgiving dinner has the opportunity to come and purchase tickets. A new event is happening the first week of December. We are going to have a cookie exchange and luncheon. Get out your favorite cookie recipe and bring a batch to the exchange and take home some very delicious cookies to enjoy. Looking forward to seeing everyone at our events.

Carolyn Keithley, Social Director

2020 FLE HOA MEMBERSHIP CAMPAIGN

“YOUR VOICE IN THE PARK”

The purpose of the Forest Lake Estates Home Owners' Association (FLE HOA) is to ensure our membership and our perspective members are aware of the goals of our Association. We are now conducting our 2020 Membership Campaign.

Our mandate is to:

- Operate an Association encompassing the well-being of the business affairs of the Forest Lake Estates Home Owners' Association.
- Promote FRIENDSHIP and HARMONY between FLE HOA and the Park Owners, ELS
- Ensure rent increases are REASONABLE AND WORTHY; and
- Ensure ELS is in compliance with 723 F.S., the Prospectus, and all exhibits thereto.

It is important that a harmonious relationship be maintained between FLE HOA and ELS. It is also important that the FLE HOA stands firm on these mandates. All Forest Lake Estates residents have an investment that must be protected. The Park must continue to be maintained at the highest levels.

The FLE HOA is the ONLY entity recognized by the State of Florida to represent all the residents in the Park. There is no one else looking out for your best interests other than the FLE HOA. The HOA must have 50% plus one resident to be a viable HOA. We invite all resident to join the HOA and support the entity that supports you. Without the HOA there would be very few activities for the residents. Join the HOA and support the HOA. Membership sales will begin on Monday, November 4th from 10:00 AM to 12 Noon and every Monday through Mid-January. The dues are \$20 per household per year. The dues monies go into our general fund for operating expenses, activities and legal support. Members who provide an email address will receive the monthly newsletter, minutes of membership meeting and any announcements via email. You may choose to have a hardcopy newsletter delivered to your home November to April Newsletters are only delivered in the summer to members without email.

An election will be held in January to elect directors to the Board. You must be a member to run for election or vote.

From the desk ofJudy Thiese

There is seldom a day passes that I am not in some manner reminded what a small world we live in. Yesterday was no exception, when I realized that this gentleman whom I met for the first time, and I, had a common friend from my hometown, Cheboygan, Michigan. Today, I am pleased to introduce my new friend to you...

MELVIN EDWARD RATZ (Mel) resides at 5635 Viau Way, here in Forest Lake Estates. Mel, as he prefers to be called, is 84 years young, delivered by Mid-wife, March 22, 1935 in Gilett, Wisconsin, the youngest of 15 children.

Mel has resided here in FLE for just 2 years. Asked what brought him to Zephyrhills and Forest Lake Estates, he said his sister (Mavis) and her husband (Roy Lamke, both now deceased) and friends who also lived in the area. He had lived in Silver Oaks years earlier, but returned to Ohio due to his wife's failing health. Mavis was instrumental in his return to Forest Lake Estates where he now maintains his beautifully landscaped home on Viau Way.

Graduating from high school, Mel decided he did not want to be a farmer like his father, so in 1954, after a brief internship at the local funeral home, and deciding that wasn't for him, he joined the United States Air Force. After Basic Training at Lackland AFB in San Antonio, Texas, he went on to Tech School in Cheyenne, Wyoming, training in Administration. After Tech School he was assigned to Moulans, France where he spent the next 3 years before taking an early release and taking a construction job with his brother-in-law in Milwaukee, Wisconsin. But work was slow and he was laid off, so in 1957 he re-enlisted with the USAF and was assigned to K I Sawyer AFB in the Upper Peninsula of Michigan working directly for the Base Commander. Personalities being what they are, he and the Commander found themselves with different ideas about the job and Mel contacted Personnel to volunteer for overseas duty. He was reassigned to Frankfurt, Germany, but after learning Mel was fluent in German, was only there for 1 week before being reassigned to Berlin. There, his Administrative duties included handling refugees at Tempelhof AFB in West Berlin where he met a "SPOOKS" (Mel couldn't remember the exact acronym meaning but said it was an "Intelligence type person") when he was sent to the Commissary to obtain cartons & cases of cigars, cigarettes, and Vodka, Bourbon, & Gin. It was a short time later when he was reassigned, now to Potsdam East Germany with a unit called the US Military Liaison Mission. This was a small unit consisting of a mix of US Air Force, Army, Navy & Marines with 5 NCO's (Non-commissioned Officers) and 9 Officers who were authorized by Treaty to travel throughout East Germany serving basically as "spies". The Russians and Germans also by virtue of Treaty, also had military personnel performing similar duties. After 4 years in Potsdam, Germany, he was reassigned in 1961 to Special Securities Operation in Japan where he spent the next 3 years before returning to the USA and being assigned to Scott AFB, 25 miles East of St. Louis. Throughout all these travels and reassignments, US Military had frozen all promotions with few exceptions and Mel held the rank of E3 Airman. While serving at Scott AFB, the freeze was lifted and before being reassigned to the Attache's office in Stockholm, Sweden, where having been promoted to the rank E5 Staff Sergeant, he would report directly to the US Ambassador to Sweden. He was there for 2 ½ years before once again returning to the USA for duties at Headquarters Secret Service in San Antonio, Texas for Special Operations where he spent the next 2 years. He didn't like it there and asked to be reassigned. Over the next 6 years he was reassigned to Potsdam, Germany with similar duties and travel as before, before being called to duty at the US Pentagon. Once again, dissatisfied with the assignment, Mel called Personnel asking for reassignment and for the 3rd time, was reassigned to Potsdam where he spent the next 4 years before being called into the US Army as Intelligence Specialist Civil Service GS13 rank, equivalent to a Major with duties at US Army Intelligence Headquarters in Berlin. There, he was responsible to review the reports coming from military personnel assigned to Potsdam, Germany, the very reports, he once created.

After 24 years of service to our country, Mel retired at Wright Air Force Base, Dayton, Ohio before moving with his wife to Martha's Vineyard, in Massachusetts where they had friends. Due to family health problems and after only 3 years, they returned to Ohio where sadly his wife passed.

Meet Mel Ratz (continued from page 5)

In 1995, Mel moved to Florida to spend time in the sun and spend some time on the golf courses. He lived in Lakeland for 7 years before coming to Zephyrhills and eventually moving to Forest Lake Estates at his sister's urging in 2017. An avid golfer, Mel had his 1st Hole in One at the Sandpiper Golf Course and that was his last game ever to be played. He says "It's good to go out on top and when you have the perfect game ... well, that's perfect!" He also worked for the Census Bureau for 1 year before taking a job with J.D.Powers & Associates test driving new cars... Fords, Chevy's, etc.

Mel met Rose, with whom he now shares his life and home, in 2016 in Dayton, Ohio.

He says his love of flowers (he had over 6,000 tulips in his garden) and a friend in the Garden Club brought them together. Sadly, Rose's husband had passed, but to Mel's great fortune, they found an amorous friendship with one another and have been together ever since. Mel says his greatest passion today is supervising Rose in their garden!

Mel & Rose hope to join the FLE Putt Putt League when it commences later this month. Meanwhile they enjoy meeting & greeting others and welcome all to come visit them and their garden on Viau Way!

ANNUAL FOOD DRIVE

We have always had a period of time in December when Ed and Claire Pelc would collect cash and food donations for The Neighborhood Care Center. Ed and Claire have decided to retire from sponsoring this event. We would like to thank them for their many years of volunteering to do the food drive. We would also like to continue the tradition of giving back to the Zephyrhills community. Beginning with the Thanksgiving dinner and ending on the 15th of December, we will have collection boxes in the clubhouse for donations of food items. If you happen to be attending an event in the clubhouse during this time, please bring a non-perishable food item to donate to the food pantry. We are also asking activity leaders to choose one night when they ask their participants to bring in a non-perishable food donation. The items will be picked up nightly and on December 16th, we will make the donation. If you wish to make a cash donation, please make a check payable to The Neighborhood Care Center and give it to any board member. We thank you in advance.

Lending for Little Ones

They are the best of us! They are our grandchildren and great-grandchildren. We are so blessed when these wonderful little ones come visit us.

Lending for Little Ones. We are still here. People lending items to each other when little ones arrive. We currently have people who have signed up with a variety of items available to lend to people who have little ones visiting. We have such things as pack & play porta beds, strollers, high chairs, car seats, water flotation items for babies, water wings, bicycles and more.

With this program, Park Residents lend their own items to each other when little ones arrive for a visit. Even though we have a variety of items, we still need more volunteers who are willing to lend items to others. Especially during the busy prime visiting time. If you are one of these people, willing to lend items for our Little Ones, please contact me and I'll add you to our list.

Or, if you are someone who has a little one arriving and need to borrow something, contact me and we'll try to set you up with the needs you have.

We will have the information about what is available posted on the bulletin board at the clubhouse.

Those interested, please contact me at 248-459-7187 or at my email address bitel1976@gmail.com.

Thank You, Cynthia Bitel
