Talent Show 2019

Message from the Desk of Rick Schlager

Forest Lake Estates Homeowners' Association (FLE HOA) President

We always look forward to October when most of the snow birds come to Forest Lake Estates. In just 4-6 short weeks it will be time to say goodbye for another season. The fall always starts at a nice steady pace and now we look back and see just how fast time passes us by. In the next few weeks most of our activities will wind down. This issue will be our last large Newsletter and then we begin our summer activities. If anyone wants to be involved in supporting summer activities, please contact Mike Reid, Carolyn Keithley, or any other Board Member.

About the middle of April, we will see Steve (our ELS manager) move on to a new regional manager's position in the Sarasota area of Florida. I would like to thank him for all he has done to maintain a good working relationship with the HOA board and the residents of this community. If you should have a chance please wish him well.

This letter is being written before our Annual Patio Party on Sunday March 24th. This year we are serving pulled pork or pulled chicken. Last year we had 670 attendees which included about 100 guests. This year we have already distributed 890 tickets. Dell will be performing again this year. This event is always a fun time for all, our last big get together.

We have had a very successful season of activities. We have received many comments/suggestions that we have either acted on or turned over to ELS management for resolution. We still have some areas of improvement and over the next few months will work to provide strategies to implement change in some of our procedures.

This has been such a wonderful year getting together with old friends and family. Again, thanks to the many volunteers who either ran different activities or supported them. Without your time and effort, we would not have had such a wonderful year. Please be safe traveling back to your summer homes and see you in the fall.

Thanks
Rick Schlager

Message from Vince Boido

Happenings Editor and FLE HOA Vice President

Editorial

In last month's article, resident concerns were discussed. Your advice on solving some of these problems were very helpful. Three areas of concern are addressed. Dog issues, Road Issues, and Swimming Pool which always seems to be an issue.

Committees are being formed, Dog Patrol, Road Patrol, and Pool Volleyball Patrol.

Dog Patrol: The committee will go house to house-similar to that of a 360 degree inspection. Dog breeds, weights, and proper support dog paperwork will be documented. (See picture).

Road Patrol: Speeding over 15 miles per hour and not stopping at stop signs will be enforced by written warnings and possible monetary fines.

Pool Volleyball Patrol: Pool volleyball here at FLE is quite popular. Any day that sees temperatures in the 80 degree range will draw a horde of enthusiastic volleyballers. This causes a problem of overcrowding on the court. Beginning on April 1st the following regulations will be in effect. When the temperature reaches 79 degrees, split volleyball session shall take hold. Those living in/on odd numbered lots shall play from 12:30 until 2:00 PM. Those in/on even numbered lots shall play from 2:01 until 3:31 PM. This should cause an easing of overuse of the pool volleyball areas.

Message from Carolyn Keithley, Social Director

Our friends from the north will be heading back home within the next few weeks and some have already gone. Attendance is starting to dwindle at our events, but our season has been extremely successful. I am very happy to have served our residents as your Social Director for this past season and look forward to working with all of you next season. During the March HOA General meeting I gave my thank-you to all the wonderful volunteers who have worked with me during this past season as I will not be able to attend the April Meeting. Watch the calendar for our upcoming summer activities. If anyone has any ideas for some new summer activities, please contact me or Mike Reid. We are always looking for new things for our residents to do. Please be sure to check the calendar for our last scheduled activities, Ice Cream Social, Monday Night Sandwiches and Dinner Dances. Everyone traveling, either home or just back north for a visit, please stay safe and we will see you when you return in the Fall.

Health Fair Thanks

I would like to thank all of the volunteers, vendors and all who attended. We had 28 vendors this year and hope to add a couple more next year. One of the vendors was the Bloodmobile. They were hoping to get 13 pints of blood, we sent them away with 26. So special thanks to all of the heroes who gave blood. One Blood was so happy with the results they offered 2 tickets to the Strawberry Festival. The winner of those tickets was Carol Stamper.

Next year our Health Fair will be held on February 11, 2020. Hope to see you there!

Eileen Lane

Lending for Little Ones

They are the best of us! They are our grandchildren and great-grandchildren. We are so blessed when these wonderful little ones come visit us.

Lending for Little Ones. We are still here. People lending items to each other when little ones arrive. We currently have people who have signed up with a variety of items available to lend to people who have little ones visiting. We have such things as pack & play porta beds, strollers, high chairs, car seats, water flotation items for babies, water wings, bicycles and more.

With this program, Park Residents lend their own items to each other when little ones arrive for a visit. Even though we have a variety of items, we still need more volunteers who are willing to lend items to others. Especially during the busy prime visiting time. If you are one of these people, willing to lend items for our Little Ones, please contact me and I'll add you to our list.

Or, if you are someone who has a little one arriving and need to borrow something, contact me and we'll try to set you up with the needs you have.

We will have the information about what is available posted on the bulletin board at the clubhouse.

Those interested, please contact me at 248-459-7187 or at my email address bitel1976@gmail.com.

Thank You,
Cynthia Bitel

Emily Haynes and Jerry Wilson

By Judy Thiese

It's that time again and this month I was invited into the home of Emily Haynes where Jerry Wilson joined us to talk about their lives together today and their lives independently previously. As the saying goes, "Behind every successful man, there stands an encouraging woman." Jerry Wilson was born in Troy, New York September 20, 1933, an only child saying his parents saw perfection and said that was enough!. He'll be 86 in September and states he is quite proud of that. Jerry attended St. Augustine Elementary School and went on to graduate from Lansingburg High School in 1952. Before graduating,

he joined the Naval Reserve in 1951 but didn't go on to active duty until 1953 in the midst of the Korean conflict.. Immediately after high school graduation, Jerry went to Barber School but wasn't able to complete his apprentice training before he was called to duty. With his Barber schooling behind him, he was assigned first to general enlistee duties aboard ship but when one of the ship's barbers retired, he was recruited to fill the slot in the Naval Barber Shop where he worked directly with the Supervising Barber on Duty to complete his apprenticeship requirement and become a fully licensed Barber and left the Navy in 1955 as a 3rd Class Petty Officer . On departure from the Navy he returned to his home in Troy, New York but wasn't able to find work in that area as it was primarily Italian and he was not Italian and therefore didn't speak the language. In 1961 he was able to open his own Barber Shop where he worked until retirement.

Jerry's father worked at the telephone company and bowled at the local bowling alley regularly. It was at the bowling alley where Jerry's father introduced him to a co-worker, Doris. It was love at first sight and in 1956 they married... a marriage that lasted just 2 days short of their 56th anniversary. Sadly Doris passed in 2012.

Together, Jerry and Doris had four children... 2 boys and 2 girls... Keith, 62 who lives in Seffner, FL with his wife Pat. Keith, as many of you may remember, worked as Vice President of Brightview Landscaping and Development and through that company was responsible the funding for our Memorial Park. Jerry & Doris's 2nd son Tod, works as a carpenter and lives with his wife Ann in Schenectady, New York. Of the 2 girls, Kerri is the oldest and lives in Tampa with her husband, William Fogg, daughter Ashley and son Bradford. Their 2nd daughter Traci is single, residing in Houston and working at Corporate Headquarters for "Charming Charlie's" as Senior Retail Director.

Jerry moved to Forest Lake Estates in October 1999 and remains active in our community today. Many of you might know Jerry as past President of FLENS for 5 years succeeded by Ralph Bechtel prior to the park sale to ELS . Upon the sale of the park to ELS, Jerry was recruited and eventually voted in as our 1st Vice President of our newly established FLE HOA. Today you might find Jerry in the kitchen, or helping out wherever he can with community events and often in the company of the woman in his life today, Emily Haynes.

Jerry first met Emily at the pool, here at FLE when she invited him to join her at the FLE Saturday night dinner dance. That evening was followed by a 2nd invitation to join her at a patio party here at FLE. The rest is history... while maintaining separate residences, they are seldom apart from one another for daily events.

Emily was born February 26, 1928 in Michigan City, Indiana, a twin sister to Zinib, who sadly passed away at age 85 in Ft. Lauderdale, FL. Emily was the last of 13 children weighing in at only 3 lbs. while twin sister, Zinib, was a healthy 8 lb. baby girl. Emily was always slight of build and as a result struggled during her public school years. Her parents immigrated from Beirut, Lebanon. Emily attended Arabic school where she learned the language and culture. On her

(Continued on page 6)

(Continued from page 5)

brother's advice, at age 20, she moved to Marine City, Michigan and took classes in Psychology there for 18 months. Emily worked in the parts department of Excelo Corporate Aviation and it was there she met her husband, who actually worked a later shift, but came in early to walk her off shift. On May 24, 1952, Emily married Carl W. Haynes. Carl worked as a Manufacturing Engineer at C-P-C Headquarters Design Group of B.O.C.. otherwise known at Buick, Oldsmobile and Cadillac. His areas of expertise were on fixture design, floor type automatic weld fixtures, side frame, robotics, design contact and construction follow-up. He also participated in numerous Pilot and Start of Production Programs including Geometric Dimensioning and Tolerancing Training programs.

Carl Haynes
Manufacturing Engineer, C-P-C Headquarters

Together, Carl and Emily had 6 children consisting of 2 sets of twins and 2 single births and at one time 5 of those 6 children were under 5 years old! Robert lives in Alameda, California with his wife Selina and have no children. His twin sister, Rebecca is single and presently lives at St. Pete Beach working as the St. Pete Beach Clerk. Charlie, 63, lives in Oregon with his wife Vera. Twins, Jerry and Joseph both live in Michigan with their wives, Linda and Janet. Emily Kathleen, lives in Sarasota and works in Real Estate.

Emily and Carl also had 9 children and 10 great-grandchildren including 2 more sets of twins! Sadly, Carl, Emily's husband and father of her children, passed away on September 06, 1995, after 43 years of marriage.

When Emily and her husband first moved to FLE, Emily was not happy claiming she did not want to live in a mobile home park with a lot of "old" people! But Carl had retired and wanted to move to a warmer climate. Emily claims it took her about 2 years before she asserted herself socially. She loved the water and spent many hours poolside before becoming the water aerobics instructor, a position she held for 5-7 years before handing the reins to Twila and Angela and eventually Ruth, who continue the water aerobics program every Monday, Wednesday, and Friday in the big pool yet today.

Emily and Jerry can often be seen together on the PuttPutt course or at the Saturday night dinner dances and participate in many of the other recreational functions here at FLE. So when you see them, say hi... they can show you how to have fun at FLE!

The Sunshine Ladies

The Sunshine Ladies will meet at the clubhouse on Wednesday, April 25th. at 11:00 before going to the Olive Garden for lunch. Color of the day is blue. Questions or reservations please call Bev Heden @ 563-508-6777.

Thanks, Nancy Shaffer

Shuffleboard

The FLE shufflers have been very active in March with great attendance each morning and especially on our fun "Hoss Collar" days, being Thursday and Saturdays. It's been a terrific season and it is great to see many newcomers to the group. The Wednesday afternoon 8 Park League is now finished. The Park shufflers enjoyed the season and hospitality of the participating parks!

Our 8 Park tournament was a success! Thank you to everyone who volunteered to help make the tournament run so smoothly! Congratulations to the following winners from our Park: Main Event - 1st Scott Kinden and Charlie Cull. 4th Mary Bryans and Nancy Vanderwielen. Consolation Event - 1st Willy Vanderwielen and Davis Bryans.

On March 7th we had our Fun Day followed by a delicious Pot Luck lunch! The shufflers enjoyed some fun and challenging games to earn individual points. The winners were Anne Burtnick and Nancy Vanderwielen (tied) and Allan McLean. They were presented with the "Donna and Harold Kirktown" trophy!! (Pictured below)

Some of our Snowbirds will be heading home soon and we wish them safe travels and look forward to seeing everyone again next winter! Shuffling will still be continuing through April each morning, Monday through Saturday.

As our website name suggests we can book cruises, but also much more. We can book you on an escorted tour in Europe, a resort on a warm island or any other type of travel, including bus trips. We can also book travel for our Canadian friends. We are a franchise of Cruise Planners which has over 1400 franchises in the US. This allows us the competitive pricing of the big agencies and websites, but with a more personal touch. We also offer travel insurance not only for travel we book, but for any travel plans you may have. We look forward to meeting you whether you book for travel with us or not. Stop by or give us call.
